Circular No: RIAH/014/AY 2022-23

Date:23/06/2022

Dear Parents,

Greetings from Ryan International Academy, Hinjewadi !

This is a Health and Safety advisory circular, issued with regard to the importance of display of ID cards inside the school campus.

As per the Child Protection policy of our institution to safeguard our learners, it is mandatory that everyone displays a valid ID card while they are inside the campus.

To be in line with this compliance parents are requested to bring their parents ID card (provided by the institution) whenever they visit the school for Child pick up and Drop, general visits, official meetings like PTM, or other school events.

If any parent found not carrying their ID card, as part of the security process there will be register entry logs and visitor management protocols that will be strictly followed.

To ease the entire process, it is advisable to always carry an ID whenever you visit the school.

We request your support and cooperation.

Best Regards,

Sonika Kochhar Girotra
Principal
