Dear Parents

Greetings from Ryan International Academy, Bavdhan!!

“Trees are the best monuments that a man can erect to his own memory. They speak his praises without flattery, and they are blessings to children yet unborn.” - **Lord Orrer**

Empathy towards every living organism is a part of a great character. In order to promote empathy, critical thinking and sustainable development goals in the students of Ryan International Academy, Bavdhan we have come with a wonderful initiative- **Tree Plantation Drive**. All students are required to plant at least one plant in their society or park or recreational arena to be a part of the great initiative to save our Earth and do our part for the alarming global situation. As Ralph Waldo Emerson states “The creation of a thousand forests is in one acorn.” We can also be the harbingers of thousand forests by starting with one acorn.
