

**Dear Parents,**

**“Reach high for stars lie hidden in your soul. Dream deep for every dream precedes the goal”**

Passion is the energy that keeps us going, that keeps us filled with meaning, and happiness, and excitement, and anticipation. Passion is a powerful force in accomplishing anything you set your mind to, and in experiencing work and life the fullest extent possible.

To help interest and identify passion and acquire expertise we at Ryan International Academy, Bavdhan would want our students to choose one from the options given below. All the modules shall be conducted as per age. We shall guide, provide training and help the students pursue their ambition.

**Grade I, II**

1. Home Science- Gardening element, practicals to plant, grow a plant, environment awareness, know about sustainable and renewable resources.
2. Home Science-Nutrition, Hygiene, Etiquettes, Cooking (without fire)

**Grade III- VIII**

1. Home Science- Nutrition, Hygiene, Etiquettes, Needlework, Cooking
2. Revival of Lost Art- 2 folk arts shall be taught per year along with practicals students shall also learn about its history and culture.
3. Centre for Social Impact- Adopting an orphanage/school community drive to create an impact throughout the year.

Thanking you,  
Warm Regards.
