**Circular No :RIAH/044/AY 2022-23**

**Date :8<sup>th</sup> September,2022**

Dear Parents,

**RIAH Wishes you all Happy World literacy day.**

How fortunate we are that we know the skill of reading and writing !

Literacy is very important, and education need not be imparted in just schools. We must develop a culture of reading as it takes a child a long way. Books need to be made a part of the environment a child grows up .

A true bibliophile knows the value of a book and most would go to any extent to share the joy of reading. If you have a stock of abandoned old books, which once regaled you, helped you through a rough patch, or brought a smile to your face, then it is time to pass on the feeling.

Today on the occasion of World Literacy Dat We urge you to donate old books and reading material for the underprivileged children.

RYANITES can submit books to their classteacher on Monday.

**When we give cheerfully and accept gratefully, everyone is blessed...**

Warm regards,

**Sonika Kochhar Girotra**
