Dear Parents,

We don't quite know where to start in appreciating you enough, but this is a start. Your support has been instrumental in making the Teacher's Day super special for RIAH facilitators! Our Ryanites showed their love for their teachers in their own unique ways, and this has touched the hearts of entire Ryan Team. Despite your busy schedules, you were available to drop and pick our Ryanites as when the school demanded. We whole heartedly appreciate your belief in us and look forward to a continued support and coordination in all our future endeavours.

The whole idea behind these activities is to fuel the learning ,by stimulating creative thought, improving social and organizational skills, developing interests and talents, and offering students the chance to switch off and do something they really enjoy.Post such activities, we are sure they comprehend time management , learn to prioritize their work and achieve the goal they set out to do , in a short amount of time. We are sure our students enjoyed every bit of the day as much as we did!

**Warm regards,**

**Sonika Kochhar Girotra**
