

Dear Parent,

Geetings from Ryan International Academy, Bavdhan.

“Don’t limit a child to your own learning, for he was born in another time”

NOF JUNIOR – World’s Only Animation Based International ONLINE Olympiad

NOF Junior, is the world's only interactive, gamified and animation based International Olympiad examination powered NOF has mapped the entire syllabus into animated stories. The questions are interactive, with voice support which means the students can touch the cartoons, and other elements on the screen, read and listen to the question as well.

For 1st time in India every participant will get an International certificate from LONDON, UK

Who can Participate – Nursery to Class 5 students
