

Dear Parents,

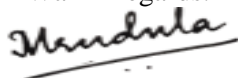

Greetings from Ryan International Academy, Bavdhan!

At Ryan International Academy, Bavdhan, we believe in **360-degree development** of a child where scholastic and co- scholastic aspects are given equal weightage. As per the vision of our Honorable Chairman Sir,Dr. A.F. Pinto and Managing Director, Dr. Madam Grace Pinto, the Sports Centre of Excellence aims at achieving Physical and Mental well-being of Ryanites. Structured Sports Programme at Ryan International Academy, Bavdhan is an integral part of the curriculum and helps student identify their interests, learn teamwork, develop coordination, infuse discipline, propagate leadership and instil values in them. We are pleased to inform that in the second term the students shall have an option to choose a different optional sport than what was chosen during the first term with a purpose of giving exposure to multiple sports to our Ryanites.
