CIRCULAR NO. 041/ RIAS/ 2025-26

DATE: 16/10/25

Dear Parents,

Greetings from RIAS!

As part of our ongoing endeavour to nurture compassionate, responsible, and empathetic young leaders, we are delighted to introduce this year's Founder's Day initiative — **"Each One Teach One"**, inspired by the visionary guidance of our Chairman Sir, **Dr. A. F. Pinto**.

Through this initiative, students are encouraged to share their knowledge by teaching an underprivileged adult or child in their neighbourhood. A photograph capturing the student while teaching should be affixed in the report provided along with this circular. Alternatively, the photograph may be emailed to

library.sarjapur@ryaninternationalacademy.org.

The completed report must be submitted to the respective class teachers by **27th October 2025**.

Let us all take this opportunity to make learning a shared joy and contribute to building a more caring and educated community.

Regards,

RIA, Sarjapur
