Dear Parents,

Greetings from Ryan International Academy!!!

"Grandparents and Grandchildren, together they create a chain of love linking the past with the future. The chain may lengthen, but it will never part"

It's time to spend time with grandparents...

Happy to announce RIAK is celebrating **Grandparents Day** on 7th October 2023. Both maternal and paternal grandparents should be a part of the celebrations. Details of the event will be shared shortly.

Best regards

Principal
