Dear Parents

Greetings from Ryan International Academy!!!

Let today's blues be the canvas to paint your dreams upon." "Blue day reminds us that peace resides within the depths of our souls." "Find solace in the shades of blue, for they hold the secrets of serenity." "Look up to the sky, let the hues of blue fill your heart with hope on this special day."

We at Ryan International Academy Kanakapura road are celebrating Blue Day on the 27 of September.

Students can dress up in blue coloured clothes. To make the activity more inclusive, children can bring different objects like toys, decorative items, and drawings based on the theme blue.

Best regards

Principal
