Date: 26/10/2023

Dear Parents

Greetings from Ryan International Academy!!!

Brown signifies the beauty and the importance of our Earth, the Motherland.

The color brown is also associated with the seasons of winter. Brown is considered an Earth color because it can be found nearly everywhere on Earth and it is the color of the soil

Students can come dressed up in shades of brown or carry objects that are in brown colour on 27/10/2023.

Best regards

**Principal**
