Dear Parents

Greetings from Ryan International Academy!!!

Sharing with others is important, and it is only helpful for their development if children know and imbibe this. Sharing is a crucial ability that promotes teamwork, empathy, and interpersonal communication.

We at Ryan International Academy are celebrating Diwali by sharing sweets with our friends in school.

Kindly send sweets along with the child. (No chocolates) on 10/11/2023(Friday).

Regards,  
**Principal**
