Dear Parents,

Donation starts from our house. As a part of our community service initiative for the month of June, we will be visiting the Government school situated in B M kaval on 30<sup>th</sup> June(Friday) at 11 am.

Parents are here by informed to send stationary items like colour pencils, crayons and sketch pens to facilitate the students of Government school. There are about 70 students in the school. We would appreciate the items to be in multiples but of small packets.

We would request you to give the consent for the same in the school diary

Regards,

Principal
