Date: 28-06-2023

Dear Parents,

Red is just not a colour, it's an attitude which speaks louder

We are happy to celebrate Red day at school on 30-06-2023, Friday. Children are requested to be in Red coloured dress! (optional)

As a part of the Red Day Activity, Children are here by informed to carry one of these mentioned items for their fruit break.

🍓 strawberry / 🍅 tomatoes / 🍏 apple? beetroot / 🍉 diced watermelon. Children will be exposed to things which are red in colour.

Regards,

Principal
