

Circular No. RIAH/011/AY 2023-24

Date: 11 April 2023

Dear Parents,

Warm greetings from Ryan International Academy, Hinjawadi!

Please note that as a part of our understanding of each child individually and their interests and hobbies, the class teacher will dedicate a week to each child as a part of the 'Know Your Child' program. As per the program, it is important for parents to involve themselves in all the activities the child will be a part of during their designated week. Additionally, the class teacher will invite parents to speak to the class on Friday and share their impressions of their child. The children will also prepare a chart containing their likes and dislikes, pictures of themselves and their family, as well as any other notes they would like to share with the class. This will help build a personal bond between the teacher, child, parents, and peers.

For the 'Star of the Week,' the teacher will give a collateral to the student on Friday, which must be filled with all the details and returned on Monday. From Monday to Friday, the collateral will be displayed on the soft board outside the classroom. Parents will be invited on Friday, and after their interaction, the collateral will be sent home with them as a lasting memory.

We look forward to your support and cooperation.

Best Regards,

**Sonika Kochhar Girotra
Principal**
