

Circular No. RIAH/018/AY 2023-24

Date: 11 JUNE 2023

Dear Parents,

Warm greetings from Ryan International Academy, Hinjawadi!

We are pleased to announce the launch of our Handwriting Campaign, aimed at nurturing the art of cursive writing among our students. We believe that excellent handwriting not only enhances communication skills but also fosters creativity and self-expression.

The campaign will commence from 05th June 2023 and continue throughout the academic year. It will be compulsory for the child to participate in this exciting initiative, which will help them practice and improve their handwriting skills. Here's how the campaign will work:

1. **Cursive Writing Challenge:** Every weekend, students will be required to write two pages in cursive writing in any subject notebook (one page in English and one page in Hindi each). The page should consist of one well-constructed paragraph taken from their textbook. This exercise will encourage students to focus on letter formation, spacing, and overall legibility.
2. **Principal's Review:** To motivate and acknowledge the efforts of our students, Principal Ma'am will personally review and provide feedback on the cursive writing samples submitted by the students. Every Tuesday, during the assembly, She will share valuable tips on handwriting improvement with the entire school.
3. **Peer Recognition:** We believe in fostering a supportive and encouraging learning environment. Hence, we will also have a peer recognition system, wherein students can appreciate their classmates' efforts by exchanging positive feedback on their handwriting. This will not only boost their confidence but also foster a sense of camaraderie among students.

We kindly request your support and encouragement in motivating your child to actively participate in the Handwriting Campaign. Regular practice will undoubtedly lead to visible improvement, boosting their confidence and enhancing their overall written communication skills.

Please ensure that your child submits their weekly cursive writing entries on time to their respective class teachers. Let us join hands in cultivating the art of cursive writing and empowering our students with a skill that will benefit them throughout their lives. We look forward to witnessing the progress and achievements of our budding writers

**Best Regards,
Sonika Kochhar Girotra
Principal**
