**3rd June , World Bicycle Day
(will be conducted on 6th
June)**

The United Nations General Assembly declared 3 June as World Bicycle Day acknowledging the individuality, durability and versatility of the bicycle, which have been in use for 2 centuries. The first bike was actually called a **celerifere**; it was invented in 1790 by **Comte Mede de Sivrac** of France. This was a wooden figure that didn't have handles, pedals, or any features we now associate with bikes.

23rd June - International Olympic Day

Overview: The rings are five interlocking rings, colored blue, yellow, black, green and red on a white field, known as the "Olympic rings". The symbol was originally created in 1913 by Coubertin. He appears to have intended the rings to represent the five continents: [Europe](#), [Africa](#), [Asia](#), [America](#), and [Oceania](#).

The modern tradition of moving the Olympic flame via a relay system from Greece to the Olympic venue began with the Berlin Games in 1936. The Olympic torch is carried by athletes, leaders, celebrities, and ordinary people alike, and at times in unusual conditions.
