

Dear Parents,

The school is pleased to introduce a nutritious meal service in collaboration with **Nyra Nutri Foods**, founded by Ms. Neeta Patil, a qualified nutritionist in Nutritional Sciences and Dietetics. The initiative aims to provide wholesome, balanced meals for students, prepared using traditional cooking methods and scientifically planned nutrition.

Meals will be freshly prepared each day in a certified kitchen following strict hygiene and safety standards. The menu is designed to ensure a balanced intake of proteins, whole grains, vegetables, and other essential nutrients for growing children.

Before initiating the service, we request parents to kindly share their **interest in availing this facility** by filling out the Google Form through the link given below.

Your response will help us understand the demand and plan the service accordingly.

Warm regards,
School Administration
