CIRCULAR NO. 057/RIAS/ 2025-26 **DATE: 9/12/25**

Dear Parents,

Circular: Republic Day Flower Show Initiative

We are pleased to inform you that our students will be organising a **Republic Day Flower Show** as part of the celebrations. To make this initiative vibrant and meaningful, we request the support and involvement of all parents.

Students are requested grow **winter-flowering plants.** Parents can procure the seeds from the given amazon link https://amzn.in/d/7XLZGMX. The seeds would take about 6 weeks to bloom. Students should bring the **potted plants with blooming flowers** to school **on or before 22nd January 2026**.

Please find below the grade-wise allocation of flowers that students should bring:

1. Montessori – Verbena/ Calendula
2. Grade 1 and 2 – Aster/ Zinnia
3. Grade 3 to 5 – Alyssum/ Nasturtium
4. Grade 6 to 8 – Chrysanthemum/ Marigold

Let us come together to set an example for our nation by nurturing a **greener and more colourful country** through this initiative.

We look forward to your cooperation.

Warm regards,
Ryan International Academy, Sarjapur
