RYAN INTERNATIONAL ACADEMY, SARJAPUR

CIRCULAR NO./ 061/ RIAS/ 2025-26 **DATE: 3/01/26**

Dear Parents,

Greetings from RIAS!

It has been observed that some students using their own transport are regularly arriving late to school. Punctuality is an essential discipline that helps students develop responsibility and ensures the smooth conduct of academic activities.

In view of this, kindly note that **with the effect on 5th January, the school gate will be closed promptly at 8:30 a.m.**

Students who use **their own transport** will **not be permitted to enter the school premises after 8:30 a.m. without prior permission and approval** from the school authorities. Parents are requested to make necessary arrangements to ensure that their wards reach school on time.

We seek your cooperation in reinforcing the importance of punctuality.

Thank you for your understanding and continued support.

Regards,

Ryan International Academy, Sarjapur
