

Dear Parents,

At **Ryan International Academy**, we believe that preparing students for the future goes beyond academics. One of the most significant decisions your child will make is choosing the right career path — a decision that must be informed, well-researched, and future-ready.

To support our students of Grades VIII, IX and X in this crucial journey, We have introduced a **comprehensive career guidance program** that integrates scientific tools and expert insight. As part of this initiative, we have partnered with **Mindler**, a career planning platform, to help our students make informed and confident choices about their futures.

About Mindler

Awarded and recognized by Ministry of Science and Technology, Government of India. National Career Development Association, USA Pacific Career Development Association, Economic Times ISB, Hyderabad and many more recognized agencies, Mindler offers Advanced Career Guidance Platform which helps students discover their unique potential and make an apt career choice through assessment and activities. The comprehensive career guidance eco-system is aimed at empowering students to make Well informed career decisions.

Empowering Our Students for a Future-Ready Career

Through this partnership, our school will provide students access to a well-structured career guidance ecosystem, offering the following services:

1. Career Guidance Orientation Workshop

The program begins with an interactive session aimed at familiarizing students and parents with the career planning process and available tools.

2. Online Career Assessment & Stream Mapping

- **5-Dimensional Assessment** evaluating 56 holistic parameters
- **Comprehensive Reports** (30+ pages) with student analysis
- **One-Page Summary Reports** for quick insights
- **Personalized Career/Stream Recommendations**
- **Detailed Development Plans** for focused improvement

3. Automated Planning Tools & Trackers

- Explore careers domain-wise
- Dive deep into course and college options
- Map entrance exams and deadlines
- Use profile-building tools for college readiness

4. Rich Career Research Tools

- Access to databases on **colleges, exams, scholarships, and career avenues**
- Monthly **career blogs** and **newsletters**
- Real-time **alerts** on application deadlines and important updates

5. Grade-Wise Career Workshops

Specially curated sessions for students of **Grades 8 to 10** to help them create their individual career roadmaps.

6. Nexus Career Pathway Planner Tool

An AI-powered enhancement that provides personalized guidance by combining intelligent technology with expert mentorship.

As we move forward, we encourage both- parents and students, to actively participate in this initiative. Our goal at **Ryan International Academy-Bavdhan** is to nurture well-rounded individuals who are confident about their aspirations and equipped to achieve them.

Together, let's empower our children to shape a future they truly deserve.

Warm regards,

Ruchi Masih
