Subject: *Visit to Old Age Home – A Gesture of Sharing and Care*

Dear Parents,

As part of our continued effort to instill compassion and social responsibility in our students, the school is organizing a **visit to the local Old Age Home on 14th November 2025 (Children's Day)**.

We have recently celebrated our festivals with great joy and abundance. It is now time to extend that joy to others — to share a small portion of our happiness with the elderly residents of the Old Age Home. Currently, there are **43 inmates** residing there, and the school will be supporting them with some essential **food items and sanitary supplies**, as requested by the old home.

To contribute to this cause, we request your kind cooperation in sending the following items through your child:

- Items as listed by the school for every grade is attached with this circular.
- **Two mid-sized onions and two mid-sized potatoes**, along with the above.

Collection Dates: *6th November and 7th November 2025*

Parents and students are welcome to contribute more than the requested quantity if their hearts so wish. Every contribution, big or small, will go a long way in bringing smiles to our elderly friends.

Let us come together to make this visit meaningful and memorable — a reminder that caring and sharing are at the heart of every festival we celebrate.

Warm regards,

Ruchi Masih
Principal
