RIA 2025-2026-25.02.2026:36

Dear Parents,

As part of our ongoing efforts to review and improve school essentials, we are currently evaluating a possible change in the design and pattern of the school uniform from the academic session 2027–28 (the session after next).

In view of this proposed change, we would like to understand the uniform requirements for the upcoming academic year 2026–27. This will help us plan procurement and coordinate with the vendor more effectively.

We request you to kindly review your child's uniform needs for the academic year 2026–27 and indicate whether you intend to purchase a new uniform for that year. If you are planning to buy a uniform for 2026–27, please fill in the attached form.

Google Form Link: <https://forms.gle/Nnc3EryEU7FdxqK6>

Please note that we are currently collecting tentative numbers for planning purposes and **therefore request you to fill the form by 28th February, 2026.**

The uniform will also be available through online orders directly with the authorized vendor, and parents may place orders during the academic year 2026-27 as and when required.

Your timely response will help us ensure smooth planning and availability.

Warm regards,

Ruchi Masih
Principal
