

Circular No. RIAH/037/AY 2024-25

Date: 25 September 2024

Dear Parents,

Warm greetings from Ryan International Academy, Hinjawadi!

The key to a cleaner planet is in your hands.

While life is busy, we continue to make an effort to give our children a wider range of experiences so they can develop and learn. Early community service and volunteer training increases a child's likelihood of volunteering as an adult and helps them develop into more sensitive and caring people. Children should therefore be exposed to service-oriented activities and behaviours beginning with their school years. In addition to academics, we at RIAH are committed to providing our students with fresh experiences and conducive learning settings. Children can participate in community service by doing something as basic as feeding the homeless or showing courtesy to strangers. Such small deeds of kindness have a profound impact on a child's personality over time. The COMMUNITY SERVICE project for October month is The Swachha Bharat Abhyan -We mean to clean.

It is with great pleasure that we invite you to participate alongside your child in this special initiative we have planned for the students.
