DATE: 12-08-24

Dear Parents,

Greetings from RIAS!

Registration for SpellBee International's Strategic Language Enhancement Programme (SLEP) for the academic year 2024-25 is now open.

SLEP is not just another language programme; it's a well-established pathway to 'English Language Mastery', backed by 14 years of success in India. Our 'exclusive study materials' are designed to be systematic, sequential, and progressive, ensuring they perfectly align with your child's developmental stage.

By enrolling in SLEP, your child will gain access to comprehensive scholarly, immersive, and globally neutral learning materials. The programme enhances comprehension and articulation skills across listening, speaking, reading, and writing (LSRW), setting the foundation for academic success and language fluency.
