

Circular No. RIAH/050/AY 2023-24

Date: 04 DECEMBER 2023

Dear Parents,

Warm greetings from Ryan International Academy, Hinjawadi!

NOT ALL OF US CAN DO GREAT THINGS, BUT WE CAN DO SMALL THINGS WITH GREAT LOVE"

Even though life is busy, we keep trying to provide our students a variety of experiences so they can grow and learn. Early involvement in volunteer work and community service increases children's likelihood of volunteering as adults and aids in their growth into more compassionate and sensitive individuals. Beginning in elementary school, children should be exposed to activities and behaviors that emphasize service.

We at RIAH are dedicated to giving our students new experiences and encouraging learning environments in addition to academics. Simple acts like feeding the homeless or being polite to strangers qualify as community service for kids. Over time, such insignificant deeds of kindness have a significant impact on a child's personality. This month's Community Service Project is

SHARING IS CARING –DONATION DRIVE

The activity for this month is for a very specific charitable cause, and we intend to provide the most vulnerable people with necessities.

Emmanuel orphanage is home to orphaned children of the age group of 3 to 15 who depend on the generosity of kind-hearted individuals. As they strive to create a nurturing environment for these children, they are faced with the challenge of meeting their daily nutritional needs. Your contribution can make a significant impact on their lives and contribute to their overall health and development. We look for donations of groceries of all kinds.

Your support in providing these essential items will go a long way in ensuring that the children have access to wholesome and balanced meals.

The grocery items can be sent with your child or left at the school's main desk. Please put the items in a bag or cardboard box that is durable and clearly label it with your ward's name and grade. We kindly ask that you send your donations by 15 December. Together, we can make a meaningful difference in the lives of these children and contribute to a brighter future for them.

Wish you all a merry Christmas and a Happy new year!

Best Regards,

Sonika Kochhar Girotra
Principal
