Dear Parents,

I trust this message finds you well. As we progress ahead and count our days for the final presentation of our Graduation and Annual day-themed “Roots to Grow, Wings to Fly”, our students have shown tremendous dedication and talent towards preparing the event for you. The event will also mark an important milestone in the academic journey of our Mont III children as they Graduate to Grade I.

We have organized a dry run on January 22, 2025 (Wednesday), as part of the preparations before the final event.

Please take note of the important points for both days:
