**Dear Parent**

Hearty Greetings from **Ryan International Academy-Horamavu!**

**“The beautiful thing about learning is that no one can take it away from you.” —  
B.B. King**

The moment that you all have been waiting for has finally arrived.

We take immense pleasure in announcing the official start date of Ryan International Academy – Horamavu.

The official opening date of the school is on the **12<sup>th</sup> of June 2023**.

Reporting time is at 8 :15 am for students. Departure at 12:30 pm.

This circular contains important information for parents/guardians regarding the Mont I programme in our Schools. It includes information about what to do before school starts and other informative details.

### **Before School Starts**

- Please mark your child’s name on each article.
- Start your morning school routine. This will make the first week of school much easier. We suggest that clothes are laid out the night before. Allow time for breakfast.
- Please toilet train your child.

### **First day at School**

On the first day of school all students have an opportunity to meet the class teacher and learn a little bit about the daily routine. Starting the school year off in this manner helps the children feel comfortable in their new surroundings and gives children a little clearer picture of the classroom and all that happens each day.

- If you bring your child to school, leave him or her cheerfully
- The Pre-Primary classes are scheduled from 8:30 am to 12:30 pm

- For the Mont I students it is important that you send a pair of clothes neatly labeled every day.

Please keep the following items in mind for the rest of the school year.

- The focus of the morning instruction will be on helping children develop competencies in language and numeracy.
- General awareness concepts will be taken up during regular sessions.
- Students will be engaged in multiple scholastic and co-scholastic activities to develop skills and competencies
- When students are ill, they must stay home. Do not send your child to school if he or she has fever, has vomited recently or has any other sign of infection.
- Send an email to report the reason for the absence and send a note in the Diary when your child returns to school.
- Parent/guardian-teacher meetings are scheduled throughout the year so the teacher and parents can meet as a team, discuss and evaluate your child's needs. When additional discussions are needed, parents are encouraged to ask for a meeting with the school principal or teacher by calling the school office.

### **In Mont I your child will learn:**

- To share toys, games and experiences.
- To explore new things and ideas.
