**Dear Parents,**

The International Chess Federation (FIDE) will celebrate its 100th anniversary on the 20th July of 2024. As part of the celebrations, FIDE is planning numerous activities, including chess festivals, exhibitions displaying historical archives, documents, and chess memorabilia, tournaments organized all around the world, and many others.

FIDE is also on a quest to set the Guinness World Record for the most chess games played in 24 hours on the 20th of July 2024. Whether you're a grandmaster or a beginner, your move can make history.

As the pioneers of Chess education in India, KinderSports is celebrating International Chess Day with schools and its esteemed associates. We are geared up to give a massive contribution to the Guinness World Record for the number of Chess games played in a day through various day-long events online and offline.

There will be online tournament exclusive to the Ryan Group of Institutes on the 20th of July. There are no registration charges for the children to play the game of Chess online. Details are mentioned below for your reference:
