From the Principal's Desk

Unity is one of the greatest strengths of humanity. When people come together with a common purpose, they can achieve the extraordinary. Just as many drops make an ocean, each one of us—unique in our thoughts, talents, and cultures—comes together to form a beautiful, harmonious community.

At school, unity teaches us to respect differences, support one another, and work as a team. It reminds us that success is not only about individual brilliance but also about collective effort. Whether it is in the classroom, on the sports field, or during cultural celebrations, unity allows us to grow stronger together.

As we move forward, let us remember that unity is not about being the same—it is about embracing our diversity and standing together with mutual respect and understanding. With unity, we can overcome challenges, celebrate achievements, and build a brighter future for all.

Let us continue to live by the words: *"Together we can, together we will."*

Quote of the month

“We are only as strong as we are united, as weak as we are divided.”

- J. K. Rowling

Value of The Month

UNITY- For the month of July, our students will focus on the theme of Unity. Unity is the act of coming together as one, setting aside individual differences for a shared purpose. It's not about being exactly the same, but about celebrating our unique strengths and finding common ground to build a stronger community. Through group projects, collaborative games, and stories of teamwork, students will learn that true unity is found in mutual respect, support, and the collective effort to achieve a common goal.

Fostering Unity

Throughout July, our morning assemblies were a wonderful reflection of the value of Unity. Students took centre stage each week to share a "thought for the day" that celebrated teamwork and togetherness. Using inspiring quotes, they reminded our community that our collective strength comes from embracing our differences and working towards shared goals.

In addition to celebrating unity, students were also introduced to a new vocabulary word daily. This engaging activity, complete with meanings and sentence examples, encouraged creativity and improved language skills. We loved hearing students confidently frame and share their own sentences, showcasing their verbal expression.

Sum of The Day

Making Math Fun

In addition to our focus on unity and vocabulary, our morning assemblies in July also sparked a great enthusiasm for numbers through two exciting initiatives.

The daily **Sum of the Day** activity saw teachers introducing a new math problem or number fact, which built mental math skills and encouraged a playful approach to numbers. Additionally, our weekly **Math Assemblies** made the subject come alive with creative presentations, including puzzles, tricks, and fun, math-themed skits.

These assemblies beautifully blended values, language, and numeracy, setting a positive tone for the day and helping our learners grow in confidence and curiosity across all subjects.

Activities

ELEP (English Language Enrichment Program)

At Ryan International Academy, Horamavu, we are committed to strengthening our students' language skills through our comprehensive **English Language Enrichment Program (ELEP)**. This initiative is designed to immerse students in a world of words, fostering a love for the English language through engaging and creative activities.

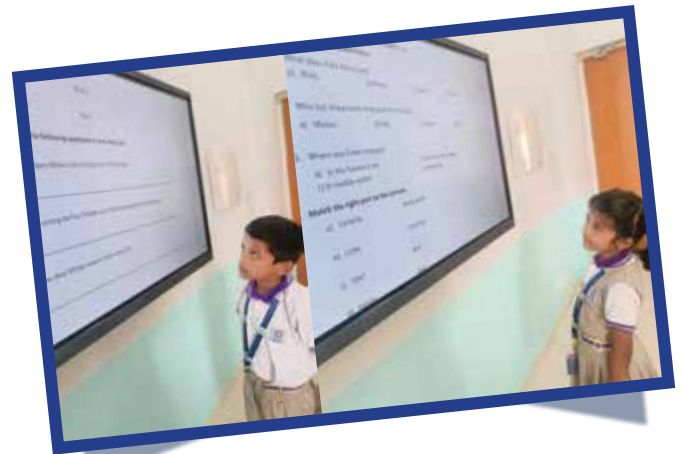

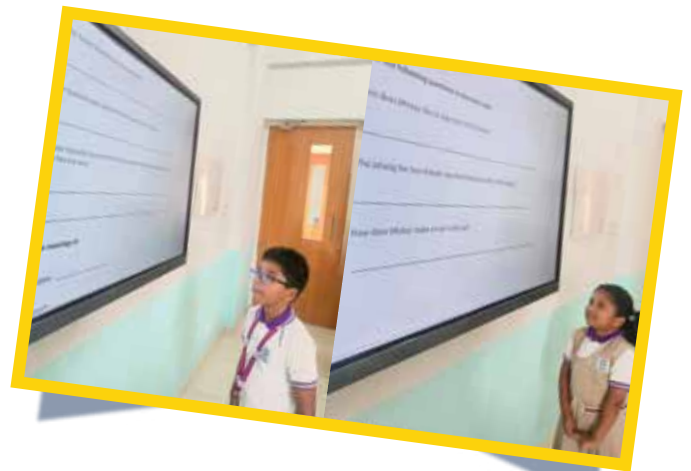

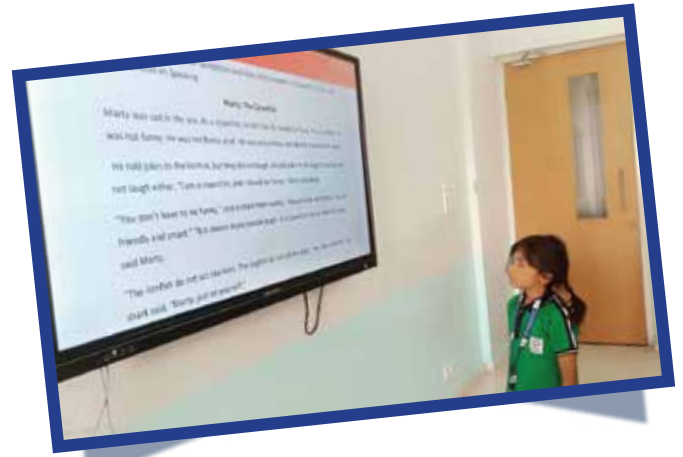

The ELEP focuses on developing key skills essential for both academic success and personal growth, including fluency, vocabulary, comprehension, and effective communication. Students actively participate in a variety of interactive sessions, such as lively storytelling, imaginative role-plays, and expressive poetry recitation. The program also includes fun word games, vocabulary challenges, and public speaking opportunities that build confidence.

These activities do more than just build language proficiency—they ignite a passion for learning and help students express themselves with confidence and creativity. We are proud to see our students grow into articulate and enthusiastic communicators, ready to take on any challenge.

Vocal Music and Instrumental Music

At our school, music is a vibrant language of expression, creativity, and cultural appreciation. Our comprehensive **Vocal and Instrumental Music Program** provides students with a platform to explore their talents and develop a lifelong love for music.

In vocal music classes, students learn fundamentals like rhythm and melody, while exploring a variety of genres from patriotic songs to folk tunes. Our

Activities

instrumental sessions introduce students to the keyboard, teaching them to read music and perform in harmony with others.

Through these programs, we help students build confidence, discipline, and a deep appreciation for the art that brings us all together.

Dance

The Dance Programme offers students a vibrant journey through various forms, from classical and folk to contemporary. Through structured training and joyful practice, students learn coordination, grace, and the art of creative expression through movement. The program helps build discipline, confidence, and a lifelong love for dance.

Celebrating Our Stars of the Week

The month of July was filled with inspiration and achievement at Ryan International Academy, Horamavu, as we proudly celebrated our "Stars of the Week" for Grades I to VII. This special weekly recognition is a cornerstone of our school culture, designed to highlight and reward students who consistently demonstrate outstanding qualities, from academic excellence to exceptional character and leadership.

Throughout July, we were delighted to honour numerous students for their remarkable efforts. Our Stars of the Week were recognized for a wide range of achievements. Some were celebrated for their diligent work ethic and impressive progress in their studies, while others were applauded for their creativity in art and expression. Many were chosen for their acts of kindness, helpfulness to peers, and their positive attitude that brightens our classrooms every day.

Activities

Each "Star of the Week" was presented with a special certificate in front of their class, a moment of well-deserved recognition that was met with cheers and applause. This celebration not only honours the individual student's hard work but also serves as a wonderful example for all. It reminds us that every small effort, every kind gesture, and every moment of dedication contributes to our vibrant school community.

We extend our heartfelt congratulations to all the students who were named "Star of the Week" in July. Your commitment to excellence and your shining example inspire us all to be better learners and better individuals.

We look forward to celebrating many more stars in the months to come!

EVENTS

Birthday Celebration of CEO - Ryan Pinto Grades I to VII

A Heartfelt Birthday Celebration for Our CEO

The month of July was a time of special celebration at Ryan International Academy, Horamavu, as our entire school family came together to honour the birthday of our beloved CEO, Ryan Pinto Sir.

The students from our branch dedicated their time and creativity to produce a heartfelt video, filled with warm wishes and respect, which was sent to Ryan Pinto Sir to mark his special day. Additionally, a special prayer was offered for him during the school assembly on 8th July, reflecting the community's deep appreciation. The

EVENTS

celebration was made even more memorable by a vibrant dance performance from our Grade II students, who joyfully wished him a happy birthday through their cheerful moves.

These gestures beautifully showcased the love and gratitude our students have for his leadership and vision.

The 15 Books Campaign Grades I & VII

Dive into Reading: The 15 Books Campaign at Ryan International Academy, Horamavu

The month of July marked a fantastic celebration of literature at Ryan International Academy, Horamavu, with the launch of our exciting "15 Books Campaign." This initiative was designed to ignite a passion for reading among our students and encourage them to read at least fifteen books throughout the year. The day was filled with a vibrant and memorable series of events that brought beloved stories to life.

Our young readers captivated the audience with a variety of performances, including lively skits, expressive dances, and creative theme plays. The highlight of the celebration was the character parade, where students dressed up as their favourite literary figures. The stage was graced by iconic characters like Harry Potter, Cinderella, Pinocchio, and Red Riding Hood, who each took a moment to speak about their stories and the valuable lessons they represent. This interactive program allowed the students to delve deeper into the worlds of their favourite books and share their enthusiasm with their peers.

The event was a huge success, inspiring students to explore new genres and authors. The campaign is more than just a

EVENTS

challenge; it's an invitation for every student to embark on countless adventures through the power of reading. We encourage all students to take part in this journey and discover the magic within the pages of a book.

Happy reading to all our students!

Parents' Day Celebration Grades I to VII

The **Parents' Day Celebration** held on **26th July 2025** was a day of joy, bonding, and togetherness at our school. The event was specially curated to appreciate parents and provide them with an opportunity to relive their childhood spirit through engaging activities.

The day began with a warm welcome followed by an array of exciting games. Parents enthusiastically participated in **cricket matches, tug of war, and fun-filled fancy dress competitions**, where their creativity and sporting spirit lit up the atmosphere. Adding to the energy, **dance aerobics sessions** brought everyone together in rhythm and laughter, making the celebration even more vibrant.

Students also joined in the fun, cheering for their parents and enjoying the unique chance to see them on stage and in the playground. The event beautifully captured the essence of family bonding, teamwork, and joy.

The program concluded with words of gratitude, acknowledging the unconditional love and support of parents in shaping children's lives. The day left behind cherished memories and strengthened the bond between the school and the parent community.

Activities

National Doctors Day Grades I to VII

Our school community marked **National Doctors' Day** by paying tribute to the selfless and dedicated medical professionals who work tirelessly to keep us safe and healthy. Students commemorated the day with thoughtful activities, including writing inspiring quotes, heartfelt thank you notes, and reflective essays. These projects allowed students to express their admiration for the doctors' invaluable contributions and to understand the significance of their work in society.

These celebrations were a wonderful opportunity for our students to learn the importance of gratitude and to show their appreciation for the significant roles these individuals play in their lives and in the community. The enthusiasm and effort put into these activities were truly heartwarming.

Sports

The month of July brought the heat, and our sports program met it with even more energy and enthusiasm! Building on the fundamentals we established in June, our students took their physical skills and team spirit to the next level.

This month, the focus was on applying those basic techniques in real games and activities. In **basketball**, students practiced team strategies, while **futsal** sessions honed their quick reflexes and strategic thinking. Our **Taekwondo** students continued to improve their forms and discipline, and in **skating**, they learned more advanced maneuvers with increasing confidence.

It was inspiring to see our students not only improve their athletic abilities but also grow as team players and leaders. The lessons

Activities

learned on the field and in the gym—like perseverance, sportsmanship, and collaboration—are ones they'll carry with them long after the season ends.

Innovation Academy

The Innovation Academy at our school serves as a vibrant platform where curiosity meets creativity. It is a space designed to inspire students to think beyond textbooks, experiment with ideas, and gain hands-on exposure to the world of science and technology.

During the month, our Ryanites engaged in exciting projects such as **Hydraulic Patient, Wireless Control with Relay, Making IR Remote, and Electric Quiz Board**. These topics introduced them to the fascinating applications of scientific principles in everyday life and encouraged them to look at problems with an innovative mindset.

The focus of the Innovation Academy is not only on building models but also on nurturing 21st-Century skills like critical thinking, collaboration, problem-solving, and creativity. Every activity undertaken instills confidence in students and motivates them to innovate, explore, and take pride in their learning journey.

With each passing session, the Innovation Academy continues to inspire our students to imagine, design, and create solutions for the future, truly living up to the vision of preparing young minds to be leaders, inventors, and change-makers of tomorrow.

**- Ms. Muthamma,
Parent of Trishan - Grade III 'A'**

**- Ms. Surjana Jyothi,
Parent of Gemma - Grade IV 'A'**

As we step into the heart of summer, I wanted to take a moment to send a special message to our wonderful students and parents. This month offers a perfect opportunity to recharge, reflect, and discover new things outside of the classroom.

To our students: Use this time to explore what makes you curious. Dive into a book you've always wanted to read, build something with your hands, or simply enjoy time with friends and family. This is your chance to learn from the world around you, not just from a textbook. We're so proud of the hard work you've put in, and we encourage you to come back ready to share your new experiences.

To our parents: Thank you for your continued partnership. Your support is invaluable. Please encourage your children to play, create, and explore. Every moment of rest and every new experience helps them grow. We look forward to seeing what new skills and interests they bring back with them.

Have a safe and joyful month filled with new discoveries!

**- Ms. Sangeetha Gerard,
Teacher**

This month, the school celebrated the value of *Unity* through thoughtful reflections in the morning assemblies, fostering togetherness and harmony. The launch of the *Star of the Week* brought joy and recognition to young achievers, while special occasions like *Doctor's Day*, *Father's Day*, and the birthday of our CEO, *Ryan Pinto* were marked with enthusiasm. Exciting initiatives such as the *15 Book Campaign*, the inauguration of the new *swimming pool* by Ryan Sir, and the introduction of various sports added vibrancy to the campus. Alongside, the *Innovation Academy* offered enriching hands-on learning experiences, making the month truly memorable for our students.

**-Ms. Preeti Singh Tank,
Teacher**

The month of July has been a meaningful journey of learning, creativity, and growth for our young Ryanites. We witnessed our students engaging enthusiastically in academics while also showcasing their talents through various co-scholastic activities. It was heartening to see their confidence and teamwork shine through in every endeavor.

This month also gave us opportunities to nurture values of discipline, responsibility, and collaboration among students. With your continued support, our children are blossoming into well-rounded individuals who embrace both knowledge and character.

As we step into the upcoming months, let us continue to work together in shaping a joyful and enriching learning experience for our children. We truly appreciate your trust, encouragement, and active participation in every school initiative.

Together, we shall keep moving forward with the spirit of excellence and unity.
