INTERNATIONAL ACADEMY

 **SCHOOL**
Connect **June 2025**
Grades I to VII

From the Principal's Desk

As we move forward in this academic year, I would like to take a moment to reflect on the power of **optimism** — a mindset that not only uplifts the spirit but also transforms challenges into opportunities.

At our school, we believe that optimism is more than just positive thinking; it is the **courage to persevere, the faith to try again**, and the **hope that tomorrow can always be brighter**. When children are taught to view obstacles as stepping stones rather than setbacks, they develop resilience, confidence, and a lifelong love for learning.

Let us encourage our young learners to approach each day with open minds and hopeful hearts. Whether it's mastering a new concept, making a new friend, or bouncing back from a mistake, optimism fuels growth and builds a nurturing environment for success.

Together — as parents, teachers, and students — let's continue to foster a culture of encouragement and positivity. For in every optimistic word and action, we light the way for a brighter future.

Quote of the month

“Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.”

- Helen Keller

ASSEMBLY HIGHLIGHTS

Each week, students shared a *thought for the day* focused on the value of the month—**Optimism**. With inspiring quotes, they reminded everyone of the importance of maintaining a positive mindset and believing in brighter possibilities.

To enhance language skills, students were introduced to a new word each day, along with its meaning and usage in a sentence. This daily vocabulary-building activity encouraged creativity and improved verbal expression, as students eagerly framed and shared their own sentences.

Sum of the Day

Our *Sum of the Day* activity is equally exciting where the teacher introduces a daily math problem or quick number fact. This sparked enthusiasm for numbers and helped build mental math skills in a playful manner.

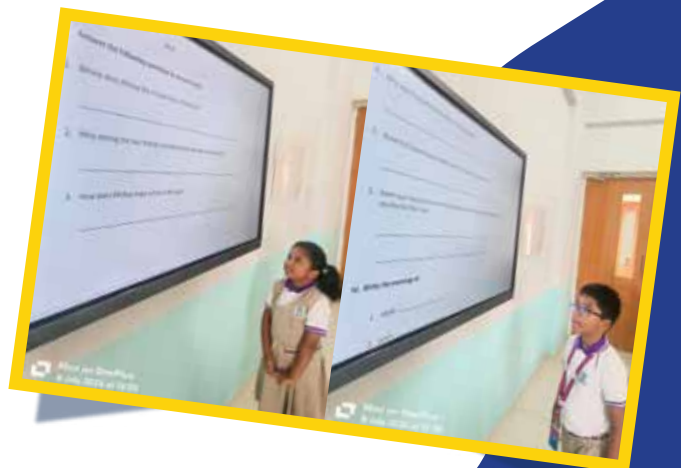

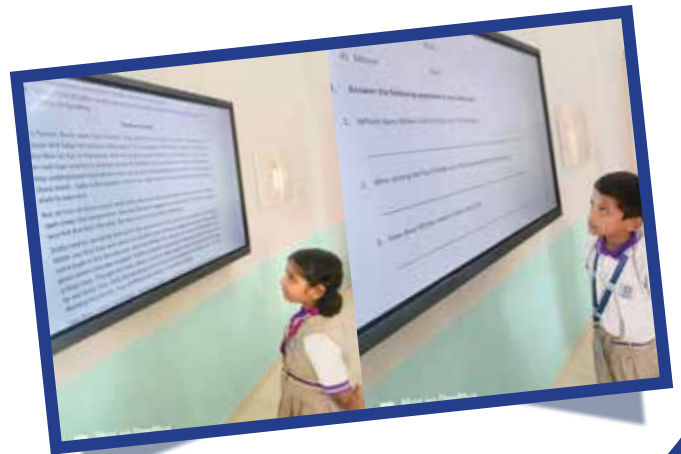

Additionally, Math Assemblies held once a week offered puzzles, tricks, and math-themed skits, making math come alive through creative presentations.

These assemblies beautifully blended values, language, and numeracy, setting a positive tone for the day and helping our learners grow in confidence and curiosity.

English Language Enrichment Program

At Ryan International Academy, Horamavu is designed to strengthen students' language skills through immersive, engaging, and creative activities. This initiative aims to develop fluency, vocabulary, comprehension, and effective communication, the skills essential for academic success and personal growth.

Throughout the programme, students

Activities

participate in a variety of interactive sessions such as storytelling, role plays, poetry recitation, word games, vocabulary challenges, creative writing, and public speaking. These activities not only build language proficiency but also boost confidence and ignite a love for the English language.

Vocal Music & Instrumental Music

At our school, music is more than just an art—it's a language of expression, creativity, and cultural appreciation. Our *Vocal and Instrumental Music Programme* provides students with a vibrant platform to explore their musical talents and develop a lifelong love for music.

In **vocal music classes**, students learn the fundamentals of rhythm, melody, and voice modulation. From patriotic songs and folk tunes to praises and worship songs, children are trained to appreciate and perform a variety of genres with confidence and joy. Our **instrumental music sessions** introduce students to the rich sounds of instruments such as keyboard, violin, guitar. Under the guidance of skilled instructors, students learn to read notations, understand rhythm patterns, and perform in harmony with others.

Dance

Our *Dance Programme* offers students the opportunity to explore various dance forms, from classical and folk to contemporary and creative movement. Through structured training and joyful practice, students learn coordination, grace, and the art of storytelling through movement.

EVENTS

Parent Orientation Program - Grades I to VI

Our Parent orientation provided parents with valuable insights into our academic curriculum, school policies, co-curricular programs, and the holistic learning environment we strive to create. Teachers shared their vision for the year ahead and emphasized the importance of parental involvement in shaping students' educational journeys.

Rotary Club Plantation Drive - Grades V to VII

The Rotary Club, in collaboration with Ryan International Academy, Horamavu organized a Plantation Drive on 20th June to celebrate World Environment Day and promote environmental awareness and sustainability. The event took place on the school campus and witnessed enthusiastic participation from students, staff, and invited dignitaries.

Investiture Ceremony Grades V to VII

The Investiture Ceremony was held with great pride and solemnity, marking a significant moment in the school calendar. The ceremony symbolizes the trust and responsibility the school places in its newly elected student council.

The event began with a solemn march-past by the student leaders, followed by the pinning of badges and the official oath-taking ceremony.

Swimming Pool Inauguration

Making a Splash! Inauguration of Our New Swimming Pool and Launch of Swimming Classes.

EVENTS

We are delighted to announce the grand inauguration of our brand-new swimming pool facility at Ryan International Academy, Horamavu. This much-awaited addition marks a significant milestone in our journey towards promoting holistic development and physical fitness among students.

The inauguration ceremony was held with great enthusiasm and excitement, graced by our CEO Mr. Ryan Pinto and our respected Principal and staff members. The event began with ribbon-cutting, followed by the first ceremonial swim that officially marked the commencement of swimming activities on campus.

We are equally thrilled to share that swimming classes have officially begun for various grades, under the guidance of trained and certified instructors. These sessions aim to not only equip students with essential swimming techniques but also boost their confidence, discipline, and endurance. Safety remains our top priority, with professional supervision and proper protocols in place during all sessions.

We look forward to seeing our young swimmers grow stronger, healthier, and more confident with each splash!

Activities

World Environment Day Grades I to VI

World Environment Day was celebrated on 5th June 2025, with enthusiasm and a deep sense of environmental responsibility. The event aimed to promote awareness about environmental conservation and encourage students to actively contribute to protect nature.

Activities

Father's Day Grades I to VI

To honour the unsung heroes in our lives, our students celebrated Father's Day with heartfelt creativity and love. The classrooms were filled with smiles, stories, and special moments as children took part in meaningful activities.

Students expressed their gratitude by creating beautiful handmade cards filled with love and appreciation. Each card was a colourful reflection of their admiration for their fathers. They also penned down their feelings in a "Thank You" letter, where they shared how much their fathers mean to them and the little things they cherish most.

It was a touching tribute, reminding us all that a father's love, support, and silent strength deserve to be celebrated every day.

International Yoga Day Celebration - Grade VI & VII

On 21st June Ryan International Academy, Horamavu celebrated *International Yoga Day* with great enthusiasm and spirit. The event aimed to promote physical well-being, mental clarity, and inner peace among students and staff through the practice of yoga.

Students and teachers gathered on the school grounds to participate in a guided yoga session. With calm, focus and graceful movements, participants performed a series of asanas, pranayama, and meditation exercises, embracing the theme of "Yoga for Self and Society."

Activities

Parent Teacher Meeting Mont I to Grade VI

Our recent PTM Meet & Greet was filled with warmth, smiles, and meaningful conversations. It wasn't just about academics – it was a relaxed space where teachers and parents connected and discussed the little moments that matter in a child's growth.

Parents appreciated the open, friendly atmosphere and the chance to speak one-on-one with teachers. It was a lovely reminder that we're all on the same team – working together to help our children thrive, not just in school, but in life.

Sports

The month of June was filled with energy, enthusiasm, and active participation as our students dived into the world of sports! Through a series of engaging sessions, students were introduced to the **fundamentals of various sports**, laying a strong foundation for skill development and team spirit.

From mastering the **basic techniques of cricket**, dribbling and shooting in **basketball**, to learning coordination and agility in **futsal**, students showcased great enthusiasm and eagerness to learn. The **taekwondo** classes helped boost their discipline and self-defense skills, while **skating sessions** focused on balance, control, and confidence.

Our regular P. E. classes continued to focus on physical fitness, warm-up drills, stretching routines, and fun team activities aimed at building strength and flexibility.

It was wonderful to see students not only improving their physical abilities but also growing in confidence, teamwork, and sportsmanship. Here's to a sporty and spirited year ahead!

Activities

Innovation Academy

As part of our hands-on learning initiative, our young innovators worked on a unique project - Smart Dustbin for Wet and Dry Waste Segregation. Our young tinkerers had an exciting time building their very own Catapults using simple materials and a lot of creativity! Bringing imagination to life, our students took on the exciting challenge of designing their own Amusement Park models—and the results were truly amazing!

PARENT'S CORNER

I am extremely happy with the school. The teachers are dedicated, supportive, and truly care about each child's growth and wellbeing. The environment is encouraging and safe, fostering not only academic learning but also values, discipline, and confidence. I appreciate the school's efforts in organising diverse activities that help in the overall development of students.

The school infrastructure is excellent, with well-maintained classrooms, clean surroundings, and spacious playgrounds. The availability of smart classrooms, library, and laboratories greatly enhances the learning experience for the students.

The management team is well-organised and responsive. Their clear communication with parents and timely updates about academic schedules and events are truly appreciated. The leadership reflects a strong vision for the students' holistic development.

**- Ms. Samantha Swaroop Kumar,
Parent of Keziah - Grade II 'A'**

We are thrilled to have our vibrant school community back on campus, filled with renewed energy, excitement, and enthusiasm. As we step into this new chapter together, we look forward to a year filled with meaningful learning, joyful experiences, and opportunities that will help every child grow intellectually, emotionally, and socially.

To our students – we are proud of your curiosity, creativity, and courage. This year, we encourage you to dream big, try new things, and always believe in yourself. Remember, every day is a chance to learn something new and become a better version of yourself.

To our parents – thank you for your continued trust and partnership. Your support is vital in helping us create a nurturing and inspiring environment for our learners. Together, we can shape confident, compassionate, and capable individuals.

Here's to a year of growth, discovery, and shared success!

**- Ms. Sangeetha,
Teacher**

June marked a refreshing and purposeful start to the new academic session at **Ryan International Academy, Horamavu**. As students returned from the summer break on **2nd June**, the campus was once again filled with energy, enthusiasm, and a renewed commitment to learning and growth.

A major highlight of the month was the **Investiture Ceremony**, where our newly appointed student council was formally inducted. With pride and poise, the young leaders took their oaths, pledging to uphold the values of the school and lead with integrity, responsibility, and dedication. The ceremony reflected the school's unwavering belief in empowering students to take initiative and contribute meaningfully to the school community.

Another inspiring event was the **Rotary Club Plantation Drive**, a green initiative that reinforced our commitment to environmental sustainability. In collaboration with the Rotary Club, our students actively participated in planting saplings within the school premises, learning the importance of nurturing nature and contributing to a greener future. It was a hands-on experience that encouraged environmental stewardship and civic responsibility. With these impactful beginnings, we look forward to a year filled with purpose, leadership, and meaningful action.

**-Ms. Preeti Singh Tank,
Teacher**

At the heart of every classroom lies a simple yet powerful mission — **to spark curiosity, build confidence, and nurture a love for learning.** As teachers, we are not just imparting knowledge, but shaping the future by guiding our students with care, patience, and purpose.

Each day, we witness the joy of discovery in our learners — a question asked with wonder, a creative idea shared, a skill mastered after many tries. These moments remind us that **every**

child's journey is unique, and it is our privilege to walk alongside them, celebrating every step forward.

As you read through this newsletter, we invite you to glimpse into the vibrant learning experiences that are unfolding within our school walls. Together, with your continued support, we are helping our students grow into confident, compassionate, and capable individuals

**-Ms. Pushpa Komala,
Teacher**
