

From the Principal's Desk

“Everything is easy when we are busy, But nothing is easy when we are lazy”.

- **Swami Vivekananda**

The entire month of November went busy where our children learnt about the value of the month-OBEDIENCE in all aspects of life. Children being the centre of everything - we celebrated Children's Day on 14th November 2022. The entire day was filled with lots of sports and activities. The Football game attracted the entire school when boys and girls from grades 3 to 5 entertained everyone with a few fabulous kicks and goals.

As we know Quality is not an act it's a habit. Our teachers have strived to achieve the habit to transfer the knowledge in very Innovative ways to ensure learning is not only fulfilled but has a lot of curiosity. Our Teachers helped students to test best of their ideas draw concentration and influences in a collaborative learning environment which transformed the students to become active learners. We are all focused on a holistic development that will drive towards the overall progress of each individual child.

My sincere gratitude to all the stakeholders of RIAS for keeping trust and belief in the school. We will continue with the spirit of inculcating ethics and ethos in young minds with aplomb and dedication. We look forward to working together to support every child's full potential as they are to be nurtured to become global citizens who will positively and responsibly impact the world.

EVENTS AND ACTIVITIES AT SCHOOL

Events

Grandparents's Day

"What children need, the grandparents provide in abundance. They give unconditional love, kindness, patience, humour, comfort, and lessons in life. A child needs a grandparent to grow a little more securely into an unfamiliar world."

Ryan International Academy, Sarjapur celebrated the occasion by making greeting cards to show their unconditional love towards their grandparents. The celebration continued with an invitation to the grandparents to the school campus along with their grandchildren on 29th October.

The day was filled with oodles of blessings, happy faces, excitement and cheer as the budding stars of Ryan International Academy displayed their love and affection for their grandparents. Grandparents were taken on a school tour wherein they had words of wisdom shared for their grandchild to value the gift of education which their child is receiving through this institute.

The hidden child inside reflected perfectly when they were playing with their grandchildren.

Grandparents enjoyed their day a lot !

Kannada Rajyotsava Day

The 66th year of Kannada Rajyotsava was celebrated with great enthusiasm at Ryan International Academy, Sarjapur on November 2nd. The students showcased their talent and exhibited their love for their beloved state, Karnataka by enthusiastically participating in the various cultural events organised as a part of the celebration.

Grade 4 students sang the song "Kannadake Horadu Kannadada Kanda".

The students of Grade 2 danced to the tune of the song "Hacchevu Kannadada Deepa". The students were able to spread the joy of Kannada language with their graceful performance.

The amazing facts about the state of Karnataka was shared by Shrinika of grade 5 which added to the knowledge of the students. The event generated a sense of pride in the minds of our students, for being part of a rich and vibrant culture.

Community Service Initiative

Engaging in community service provides students with an opportunity to become active members of their community and has a lasting positive impact on them. The joy of giving gives a sense of satisfaction after doing your bit for people in your environment.

The children of Ryan International Academy collected soap, sugar, detergent and oil and gave it to the inmates of Sisters of the Poor. Sr. Josephine explained the story of the founder of the place started with just one old person and has now grown to 130 in over 122 years. The Little sisters of the poor is located presently in 32 countries. The inmates enjoyed the performance of our Ryanites along with their lunch.

The children exchanged their love, respect and compassion for them and gained a lot of blessings and good wishes. The children saw articles like paper bags and rugs made by the inmates. They saw their rooms, laundry, recreation rooms and also watched a few of them folding their own clothes. Our children experienced the joy of giving in the best possible way.

ACTIVITIES

World Public Transport Day

Transport Day is celebrated on 10th of November every year, to raise awareness against the consequences of using personal vehicles and the dire need of using public transport in order to reduce pollution and make our world eco-friendly for the next generation to live in.

To observe this day and learn its importance Ryan International Academy, Sarjapur organized a Transport Day event on 10th November, 2022. It was a fun filled informative and eventful day for students of grades 1 to 5. Children made models of different modes of transport of their choice using watercolour, paper plates, waste plastic bottles, caps and ice cream sticks. Students learnt to distinguish between Road Transport, Water Transport and Air transport. It was indeed an interesting, creative and exciting activity for every child.

The Montessori children had a detailed discussion of the modes of transport. The Montessori 1 students enjoyed playing with their transport toys in the classroom and they spoke a few lines about their favourite mode of transport. The students of Montessori 2 did a paper plate car craft activity and drew a bus in their art book. The students of Montessori 3 did a paper plate activity on Yacht making followed by a step by step drawing of a school bus.

National Education Day

“Education imparted by heart can bring revolution in the society.”

The spirit of attaining education could be easily detected in Maulana Abul Kalam Azad's voice and words.

On November 11th, National Education Day is observed to commemorate the birth anniversary of India's first Education Minister, Maulana Abul Kalam Azad. The entire nation honors the contributions made by Maulana Abul Kalam Azad on this day, which is also known as Rashtriya Shiksha Diwas.

ACTIVITIES

Ryanites at Ryan International Academy, Sarjapur celebrated National Education Day like a festival. Primary students enjoyed an activity by preparing advertisements of their favourite subject and gave their tribute to Maulana Abul Kalam Azad for his commendable contribution to the education sector.

World Kindness Day

"The small act of kindness is worth more than the grandest intention."

World Kindness Day is celebrated on November 13th each year to promote the importance of being kind to each other. Its purpose is to promote and inspire individuals, society and the community to act kindly towards one another.

At RIAS, the world kindness day was celebrated on November 15th with activities like essay writing, drawing and puzzle solving. Children shared their ideas on how their families are kind to others. They found more words for being kind and drew pictures to illustrate various acts of kindness like helping, caring for their friends, neighbours and helping those in need.

Montessori children were explained about the importance of being kind to others by doing these simple things in their day-to-day activities like saying "Thank You", Smiling at each other, sharing a favourite toy or book, holding the door open for someone or playing with someone new. Montessori children were also involved in a colouring activity on occasion of World Kindness Day.

Red Day

The Colour Red signifies strength, power and determination. It is a colour of attraction, more than any other colour at times.

Montessori students at RIAS celebrated the magnificent colour, 'Red' with activities on 16th November 2022. The shade of red made our tiny tots feel bright, lively and cheerful.

ACTIVITIES

Bulletin boards displayed red craft work made by the children. It was displayed with red crabs with paper plates, paper tearing and sticking activity on a picture of an apple. It was a scintillating day with innocent faces gleaming and reflecting brightness, joy, love and happiness.

World Television Day

World Television Day was observed on November 21st at Ryan International academy, Sarjapur.

Television is a mass media for entertainment, news, politics, music, and advertising. It is one of the most important inventions of the twentieth century. TV can be used to enhance many important aspects of life. To enhance the importance and contribution of television in our daily life – students of grades 1 to 5 celebrated this day by drawing a futuristic TV through a drawing based on the topic, 'What will be a TV in the year 2050'.

They were also shown a video on a 'Black and White TV Show' which showed them how Television evolved over a period of time and the class also had a discussion with the teacher on the evolution of TV.

Montessori children drew and colour the picture of Television. Teachers also highlighted the value of televisions in today's society and explained that television serves as a symbol of connectivity and globalisation.

ACADEMICS

Math lab Activity

Math lab is a place to enjoy mathematics through information exploration.

Activity: Learning Fractions

Learning objective: They recognized and comprehended the concept of fraction of a collection.

Description: Grade 3 students displayed their collection like popsicles, blocks, pen, pencil etc. and found the fractions for each objects in their collection.

Home Science Club

An interdisciplinary field of knowledge which draws upon many disciplines and offers tremendous opportunities to provide a treasure of knowledge on various fields. Vegetables give energy, vitamins, anti-oxidants, fiber and water to our body. They help protect against chronic diseases later in life, including heart disease & stroke. A healthy diet means eating plenty of vegetables, plus a wide variety of food. These facts were understood by our children in the Home Science Club by bringing in a variety of cut vegetables to make sandwiches. Children enjoyed making the vegetable sandwich and also eating it. They motivated and encouraged each other to eat different vegetables by reiterating their importance.

COMPETITIONS

India Kids Fashion Week-Ryan Group of Institution -Co Sponsor

Initially called Press Week, Fashion Week has the ability to change and shape lives through a personal touch. Ryan Group of Schools Co-sponsored India Kids Fashion Week (IKFW) - a flagship event in Indian Kidswear industry to bring together sponsors, brands, designers, buyers, retail industry, media talent, channel partners, kids and their parents with a remarkable scale, magnitude, reach and style - was conducted at Lalit Hotel, Bangalore on 19th & 20th November 2022. The event aimed to revolutionize the Indian fashion set-up for kids. IKFW which has made a glorious impact on the nation's fashion week calendar now aims to be bigger and better fostering qualitative opportunities for both designers to showcase their creativity and kids to showcase their innate awesomeness. Kids from across Bangalore City participated and cherished the ramp. Joshua Singh of grade 3 from Ryan International Academy, Sarjapur was also a participant in the event.

Student Certificate

To recognise the achievements of individual children and also house wise achievements Ryan International Academy rewards and appreciates the children with certificates for various competitions. On World Tourism Day, the children made scrapbooks of the various places they visited. As part of Indian Airforce Day children drew the logo of the Indian Air Force. The first, second and third place winners of the World Tourism Day and Indian Airforce Day were appreciated and given certificates.

CELEBRATIONS

Children's Day

"The most precious thing in this world is a smile on a child's face. Happy Children's Day to every kid in the world!!"

We celebrated one day of innocence and joy on 14th November. We commemorate it because Pandit Jawaharlal Nehru, our first prime minister, was born on this day and his relationship and affection for kids is unforgettable.

At Ryan International Academy, Sarjapur this day was celebrated with lots of events and activities. The day started off with a special assembly put up by the teachers for the students in the Multi-Purpose Hall.

The Montessori students watched movies and danced with their favourite cartoon characters. The day was filled with various activities for the Primary section like Poetry Recitation, Elocution, Mono Acting and Drawing Competition.

A friendly football and cricket match was conducted to make their day more energetic. Handmade cards prepared by teachers and cakes were distributed in the class to make the day a memorable one for our children.

HEALTH SAFETY CHILD PROTECTION

Awareness session on Road Safety

The aim of this session is to provide road safety information to encourage safer road user behaviour among current and prospective road users. Also, to reduce the number of people killed and injured on our roads every year. This awareness programme is conducted from grade 1 to 5 on November 4th, 2022 along with the staff. In this session; children understood the basic traffic rules and signs.

BUS MONITOR SELECTION:

Bus monitor selection was done for all the routes and briefing was done with bus monitors about do and don'ts to ensure safety of kids throughout the journey.

STUDENT'S CORNER

My Lovely School

My name is Shreyas C K. My school's name is Ryan International Academy, Sarjapur. I study in grade 3 'A'. The school is very beautiful with a broad main gate at the entrance, a big playground and also a park for children to play. It has a beautiful lawn which adds to the scenic beauty of the school.

My school is located at a very peaceful place away from the pollution, dust and noise. It imparts strict discipline which we need to follow on a regular basis. It is like a temple where we go daily to study. We pray to God every morning during the morning assembly and then we start our classes according to our timetable. Our school not only motivates us but also teaches us the lesson of being a good human being. It teaches us the power of unity. It is not only my school but my family. Our Principal is a very kind and humble person. She is a guide and a role model to all of us. The teaching faculties for different subjects and support staff are very nice and cordial. There is a big library, innovation lab and math lab in my school. The library has many books related to different subjects and that allows us to explore and discover on our own.

All the teachers are well qualified and work hard to teach us. We are also taught music, painting, drawing, swimming and other sports like cricket, football, badminton, etc. There is a big auditorium where we conduct our assembly and other cultural events. We have a good computer lab too. The class rooms are well equipped and include smart boards for teaching. It has many chairs and tables for comfortable seating.

We have a vocational club which includes French, drama and coding classes. We have passion building clubs such as home science, environmental club and revival of lost art. My school has the best infrastructure in our locality.

I enjoy going to my school every day. I have lovely friends in my class. I love sharing food during our fruit break. I would like to thank all my teachers and the Principal for their constant love and support. I feel happy to be a part of the Ryan family. I am a proud Ryanite.

- Shreyas C K, Grade 3 'A'

Benefits of Football as a Co-Curricular Activity in Student's Life

Football is a game played by people around the world. The FIFA world cup 2022 is around the corner. The 22nd world cup will be kicked off on November 20th, 2022 at Qatar, Middle east. Billions of eyes will be focusing their attention on the 32 teams playing around. Let's look at the need of football in the lives of our students, apart from the apparent excitement drawn from footballing action, this game has tons of other incredible advantages. The combination of running, walking, sprinting, and kicking can bring benefits including increased stamina, improved cardiovascular health, reduced body fat, improved muscle strength and tone, increased bone strength and improved coordination. The head-balls, chest-pass, rabona, and the scissor kick improves concentration and body flexibility. Football plays a significant role in forging and promoting friendships, leadership skills. Football is a game of rules and thus it helps to inculcate values like self-discipline and time management.

Understanding the benefits of football in a student life and to nurture good players across the world. FIFA in partnership with AIFF and the support of the Union government launched the 'Football for Schools' project in the country. All India Football Federation, Ministry for Education and FIFA signed a MoU to broad base football across various schools in the country through the Football for Schools programme.

At RIAS, this vision has already been implemented, and the kids are given special training in football by expert coaches. We can see our budding players getting trained in a scientific and disciplined way to get ready for big events in the future.

- Ms. Dhanya,
Grade 4 Teacher

PARENT'S CORNER

Holistic Development of a Child

The children of today are the future of tomorrow. Our future depends upon the quality of the education we are providing to the children. After the growth of the child with the help of his parents, school is the first basic step in his/her life to explore things which one experiences other than home. Now, the child is in another atmosphere where he meets other children like him/her with different thought processes. The child learns many new things like participation, friendship, teamwork, etc. The school gives the opportunity to the child to expand his knowledge by learning about many new fields. This contributes to development in his thought process.

"Producing students with good grades is not enough to help them lead a fruitful life. Therefore, more focus needs to be given on preparing students with morals, ethics, and soft skills."

I would like to thank the entire team of Ryan International Academy for all the effort for the overall development of children. Though it is the foundation year for school, they are doing wonderful things to sharpen the knowledge of our children not only in academics but innovation, sports and overall personality development as well. We highly appreciate the effort to make learning interactive and interesting for kids. I am very satisfied witnessing the improvement and remarkable confidence level in my child's overall personality development, speaking skills and physical activity. Every day, Reyansh comes back home in a happy mood and is excited to share lots of good things that happened at school.

I feel that my decision was right in sending my child to RIA!! Thank you!!"

**- Mr. Manuj Gupta,
Father of Reyansh Gupta (Grade 4)**

Upcoming Events

- Carol Competition
- Christmas Celebration
- Annual Sports Day
