

From the Principal's Desk

Honesty is one of the most essential values that shapes our character and defines who we are. It is more than just telling the truth; it is about being genuine, trustworthy, and consistent in our actions and words. Honesty builds the foundation for trust and respect in all relationships, allowing us to live with integrity and confidence. It empowers us to face challenges head-on, admit mistakes, and grow into better individuals. In a world that often glorifies shortcuts, honesty stands as a beacon of true strength and authenticity.

At Ryan International Academy, we believe in cultivating honesty as a way of life. This month, we encourage our students to reflect on how they can integrate honesty into their everyday actions—whether it's admitting when they need help, being truthful in their relationships, or taking responsibility for their actions. Through classroom discussions, real-life examples, and daily interactions, we aim to instill in them the courage to always stand by what is right, even when it is difficult. Honest actions may not always bring immediate rewards, but they build character and pave the way for long-term success.

As parents and educators, let us lead by example, showing our children the power of living with integrity. Let us celebrate their honest efforts, create safe spaces for open communication, and guide them to value truthfulness as a cornerstone of their character. Together, we can foster an environment where honesty thrives and helps our students grow into empathetic, reliable, and principled individuals.

Quote of the month

Honesty

*“Honesty is the fastest way to prevent
a mistake from turning into a failure”*

James Altucher

Honesty is a powerful virtue that empowers us to confront mistakes with courage and integrity. James Altucher's quote emphasizes that honesty addresses issues directly, preventing greater failures. It fosters trust, strengthens relationships, and transforms challenges into growth opportunities.

ARTICLE FROM TEACHER

Children's Day

"Every child is a different kind of flower, and all together, they make this world a beautiful garden."

Children's Day, celebrated on 14th November, is a tribute to Pandit Jawaharlal Nehru's love for children. It's a day to honor the joy, innocence, and creativity of childhood. Schools organize fun activities, games, and cultural programs to make the day special for students. It's also a reminder of the importance of nurturing young minds with love, care, and education. Children's Day celebrates the boundless potential of every child and inspires us to create a world where they can grow, dream, and thrive.

ACTIVITIES

International Day for The Elderly- (Grandparents Day)- Story Telling Activity

Grandparents' Day is a heartwarming celebration where kindergarteners share stories of cherished moments with their grandparents. Through tales of games, treats, and hugs, they express love and gratitude, honoring the invaluable role grandparents play in their lives.

Indian Air Force Day - Gratitude Card Making

Montessori students celebrated Indian Air Force Day by crafting gratitude cards with colorful drawings and heartfelt messages. This activity taught them the significance of the Air Force and fostered respect, patriotism, and appreciation for the brave personnel safeguarding our skies.

World Students' Day - Role Play Competition

On World Students' Day, Montessori students honored Dr. A. P. J Abdul Kalam through a role-play competition. Dressed in his signature look, they portrayed his journey as a scientist and visionary leader, sharing his messages of hard work and education. The activity inspired curiosity, humility, and dedication to learning.

Orange Day

Montessori students celebrated Orange Day with creative activities: Mont I explored orange color dabbing, Mont II crafted handprint fish, and Mont III made paper

ACTIVITIES

orange slices. These engaging tasks enhanced creativity, coordination, and teamwork while fostering recognition of the vibrant color orange.

ASSEMBLIES AT A GLANCE

Gandhi Jayanti Special Assembly

A special assembly celebrated Gandhi Jayanti, introducing Montessori students to Gandhiji's values of truth, non-violence, and simplicity. Through stories, songs, and skits, they learned about his contributions to India's freedom, inspiring them to follow his path of kindness and honesty.

Embrace what makes you unique

The "Star of the Week" event celebrated the individuality of Montessori students. Each week, a child was honored, with parents joining to share their favorite things and qualities. This heartwarming activity fostered self-esteem, joy, and family involvement.

Circle Time: Sharing Thoughts and Feelings

Montessori students participated in a special circle time, discussing fun topics like favorite vehicles and activities at grandparents' homes. This engaging session encouraged self-expression, listening, and connection, helping children develop confidence and strengthen friendships in a supportive environment.

CO-CURRICULAR ACTIVITY

PE Session – Passing the Parcel

Mont III students enjoyed an exciting PE activity, transferring balls between circles. This energetic session improved coordination, motor skills, and teamwork while fostering cooperation and spatial awareness. The children had fun cheering each other on, making exercise enjoyable.

Hands-On Activities

Coloring the Letter - Mont I: Students explored the letter "M" through sound recognition and coloring a mouse, blending creativity with learning.

Pasting and Coloring the Sun, Moon, and Stars - Mont II: Students learned about day and night by pasting and coloring celestial elements, enhancing their understanding in a fun and memorable way.

Matching Animals to Their Homes - Mont III: Students matched animals to their homes using colorful worksheets, boosting their observation skills and curiosity about nature.

Innovation Lab Activity

Diwali Card Making

Montessori students combined art and science by crafting Diwali cards with LED circuits, symbolizing the festival's glow. This activity blended creativity, tradition, and innovation, sparking excitement and hands-on learning.

STUDENT CORNER

Ms. Vihana actively participated in a hands-on activity focused on learning the concept of tens and ones. She identified numbers and skillfully arranged the blocks to represent them, demonstrating a clear understanding of the concept. Her enthusiasm and precision made the activity both enjoyable and successful.

PARENT'S CORNER

The Brave Little Sparrow

Once upon a time in a quiet forest, a little sparrow named Chikki lived happily with her family. One day, a fierce storm approached, and the wind howled through the trees. Chikki noticed a nestling from another bird's family had fallen from its nest and was stranded on the ground.

Though small and scared herself, Chikki knew she had to help. She fluttered down to the nestling and gently guided it under the cover of a large leaf to protect it from the rain. Then, using all her strength, Chikki flew to the other birds and chirped loudly for help. Together, they worked to return the nestling to its nest, safe and sound.

The forest celebrated Chikki's courage that day. Despite being little, she proved that bravery isn't about size but about taking action when it's needed most.

Chikki's story reminds us that true courage lies in caring for others, even when we feel afraid.
