April 2026
Grades I to X

From the Principal's Desk

Welcome to another edition of our school newsletter—a celebration of learning, growth, and the many milestones that shape our students' journeys. At Ryan International Academy, Bavdhan, we believe that education extends beyond academic excellence; it is about nurturing character, compassion, and the confidence to lead with purpose.

Leadership is not merely about guiding others—it is about serving with empathy, acting with integrity, and inspiring through one's actions. Every classroom discussion, collaborative project, and school initiative provides our students with opportunities to develop responsibility, resilience, teamwork, and the courage to make thoughtful decisions. Through these everyday experiences, they discover that true leadership begins with kindness, accountability, and a willingness to make a positive difference.

As you turn these pages, you will witness our students embracing new challenges, celebrating achievements, and growing into confident learners and compassionate leaders. Thank you for your continued partnership and trust as we work together to shape young minds into responsible global citizens and changemakers of tomorrow.

Quote of the Month

Creativity

"When learning is purposeful, creativity blossoms."

– A. P. J. Abdul

A. P. J. Abdul Kalam means that creativity grows naturally when learning has meaning, direction, and a clear purpose.

When students understand why they are learning something and how it connects to real life, they become more curious, engaged, and motivated to think differently. Purposeful learning encourages exploration, problem-solving, and innovation instead of just memorizing facts.

Section Head Speak

Guiding Hearts, Building Character

As educators, our goal is not simply to manage behaviour but to nurture self-discipline. Clear expectations, fair consequences, and positive reinforcement help students understand responsibility and make thoughtful choices. A kind word of encouragement or recognition builds confidence, while consistent guidance fosters accountability. When balanced with empathy, discipline becomes an opportunity for growth rather than control. True success is achieved when students choose to do the right thing even when no one is watching. The teachers who leave the deepest impact are those who inspire with compassion, lead by example, and guide every child with purpose.

- Ms. Mrinal Soni,
Section Head - Primary & TGT English

Activities

Colours of Creativity

Celebrating World Art Day, Ryanites from Grades I to X brought imagination to life through vibrant artworks, collaborative mosaics, live art, and inspiring posters. Their creative expressions beautifully honoured Ryan's 50-year legacy while reflecting the vision, innovation, and spirit of the next 50 years.

Growing a Greener Tomorrow

On World Earth Day, Ryanites celebrated sustainability through creative art, thought-provoking skits, poster making, and essay writing. Embracing the theme of Ryan's 50-year legacy, students championed environmental responsibility and reaffirmed their commitment to building a cleaner, greener future.

Turning Pages, Inspiring Minds

World Book Day ignited a love for reading as students from Grades III to X celebrated through bookmark making, book reviews, and creative writing. The engaging activities nurtured imagination, strengthened literary skills, and honoured Ryan's 50-year journey of inspiring knowledge, curiosity, and lifelong learning.

Rhythms of Celebration

International Dance Day came alive with captivating performances by students across Grades I to VII. From joyful solo acts to an inter-house showcase of dance through the decades, the celebration honoured Ryan's 50-year legacy with rhythm, creativity, cultural diversity, and boundless enthusiasm.

Class Activities

Making Numbers Count

Students of **Grade I & II** explored place value through engaging Math Lab activities on tens, ones, and four-digit numbers. Hands-on learning strengthened number sense, logical thinking, and sequencing skills, making mathematics an exciting journey of discovery and confidence.

Where Creativity Meets Language

Students of **Grade III & IV** brought Hindi learning to life by crafting colourful bird nests and pinwheels. Blending art with storytelling and poem recitation, the enriching activity enhanced vocabulary, creativity, fine motor skills, and joyful experiential learning.

Science Woven with Creativity

Students experienced science through hands-on exploration as **Grade IV** learners demonstrated the weaving process and created innovative models on heterotrophic nutrition in plants. The enriching activity fostered scientific inquiry, creativity, observation, and experiential learning.

Mapping the World with Confidence

Grade V students explored latitude and longitude through an engaging Social Studies enrichment activity. Using maps and real-world location tracing, they strengthened geographical skills, critical thinking, and spatial awareness, transforming abstract concepts into meaningful, hands-on learning experiences.

Word Wizards in Action

Students of **Grade V & VI** explored the magic of language through engaging activities on

Activities

similes and homophones. The interactive English enrichment session enhanced vocabulary, comprehension, creative thinking, and communication skills, making language learning enjoyable, meaningful, and memorable.

Innovation Lab Activity

Innovate, Create, Inspire!

Students of Grades I to VIII explored innovation through hands-on projects, including Material Exploration, Tool Handling, Catapult Building, Sprinkler and Drip Irrigation Systems, Magnetic Separators, and the Free Energy Road Project. These engaging experiences nurtured creativity, scientific thinking, teamwork, and problem-solving skills.

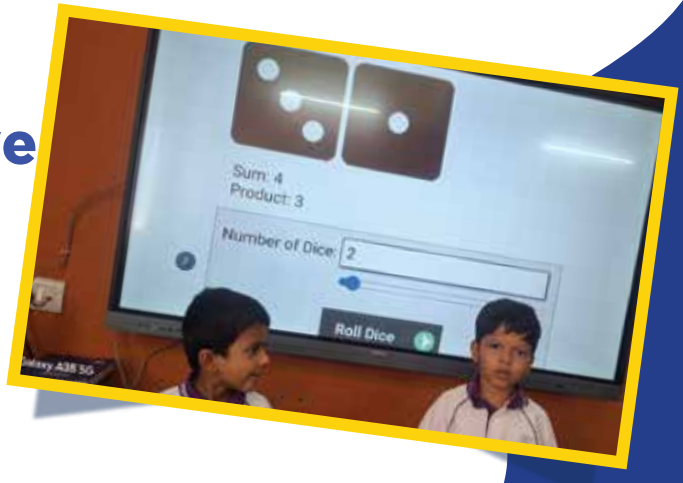

Empowering Voices Through English- English Learning Enrichment Programme

Students of **Grades I to VIII** enhanced their communication skills through the **English Language Enrichment Programme (ELEP).** Activities including **Listening Comprehension, Group Discussions, Debates, Spell Check Challenges, Speech Delivery,** and **English Cursive Writing** fostered confidence, fluency, critical thinking, and effective expression.

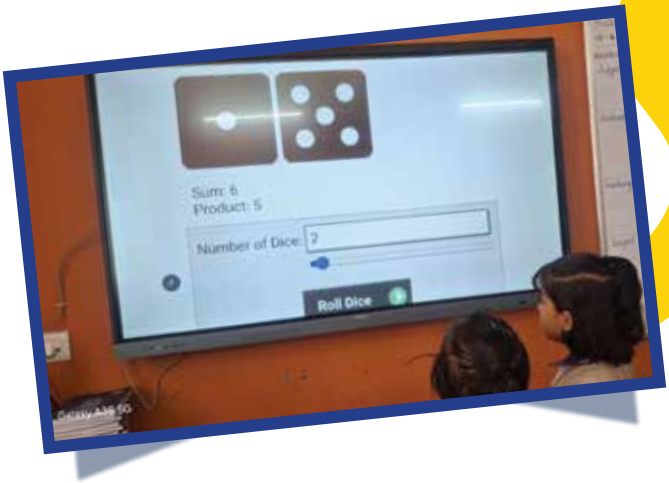

Passion Building Initiative
Nurturing Passion

Students of **Grades I to VIII** explored diverse interests through the **Passion Building Club.** Activities included **Pichwai Art** (Revival of Lost Art), **Plantation and Watering** (Eco-Gardening), **Mental Math Quiz** (Math Navigator), **Indicators** (Mystery of Science), and **Fire Without Cooking**

Innovation Lab Activity

(Home Science). These engaging experiences fostered creativity, scientific inquiry, environmental awareness, critical thinking, and essential life skills through joyful, hands-on learning.

Vocational Initiatives
Building Skills for Tomorrow

The **Vocational Initiative Programme** empowered students of **Grades I to VIII** through **French Language, Coding & Geometry Lab,** and the **Helen O'Grady Drama Programme.** From language immersion and logical thinking to theatre-based expression, the programme nurtured creativity, communication, collaboration, confidence, and future-ready skills through engaging, hands-on experiences.

Optional Sports
Champions in the Making

Through **Swimming, Skating, Football, Cricket, Basketball,** and **Karate,** students embraced fitness, teamwork, discipline, and resilience. Each session strengthened physical endurance, confidence, coordination, and sportsmanship, empowering learners to develop healthy habits, self-belief, and a lifelong passion for sports.

Assemblies at A Glance

A vibrant **Special Assembly** on the value **"Creativity"** was conducted with great The special assembly celebrated originality through an exciting **"Fastest Fingers First" Spell Bee Challenge** and a captivating skit that highlighted creativity, individuality, emotional balance, and respectful behaviour. The engaging presentations encouraged students to think innovatively, communicate confidently, and embrace their unique talents with pride.

Events - Galaxy

Parent Orientation Programme –
Partnering for Student Success

The Parent Orientation Programme for **Grades I to X** marked the beginning of a collaborative academic year. Parents gained valuable insights into the CBSE assessment framework, school expectations, and holistic development initiatives, strengthening the partnership between home and school to nurture confident, responsible, and future-ready learners.

A Bright Beginning - First Day at School - The New Academic Year 2026 - 27

The new academic session began with excitement, laughter, and renewed aspirations as students returned to campus with enthusiasm. A creative **Bookmark Making Activity** added colour to the day, inspiring imagination, self-expression, and a love for reading while setting the stage for a joyful year of learning.

Practices & Events

Celebrating Birthdays, Growing Green

Making birthdays more meaningful, students celebrated their special days by planting saplings, nurturing both nature and responsibility. **Manasvi Karwa of Grade IV 'B'** marked her birthday by planting **11 saplings,** inspiring her peers to embrace environmental stewardship and proving that small acts can create a lasting impact.

Empowering Educators Through Media

Teachers enhanced their digital communication skills through the **Ryan Media Induction Programme,** conducted by **Ms. Shibani Sharma.** The interactive session explored media practices, creative storytelling, content creation, and effective presentation techniques, empowering educators to engage learners and showcase school achievements with confidence and professionalism.

From dreams to global success — an inspiring journey of determination, innovation, and excellence.

From Classroom Dreams to Global Success

Grades VIII to X students were inspired by an enriching interaction with **Ms. Vaishnavi Tarone,** an Automotive Software Engineer at **Mercedes-Benz AG,** Germany and an alumini of St. Xavier's High School, Gondia. Sharing her journey from India to global success, she encouraged learners to embrace challenges, pursue innovation, and strive for excellence with confidence, resilience, and a global outlook.

Practices & Events

Textile Recycling Drive – Weaving Sustainability for a Greener Tomorrow

Ryan International Academy, Bavdhan, successfully collected **110 kg of textiles** through its **Textile and Old Uniform Collection Drive.** Students, parents, and staff enthusiastically donated reusable clothing and household fabrics, promoting recycling, responsible consumption, and environmental stewardship while inspiring the community to embrace sustainable living.

Money Matters: Learning Beyond the Classroom

Students of **Grades VII to IX** (Last Academic Session's Grades VI to VIII) showcased financial acumen at the **Financial Literacy Showdown** through innovative models on **Delayed Gratification, Stock Markets, Mutual Funds, ATM Operations, Term Insurance,** and **Currency Systems.** The event strengthened financial awareness, analytical thinking, entrepreneurship, and responsible decision-making, preparing learners for a financially empowered future.

Internship Programmes

1. Exploring Creativity & Innovation at MIT Institute of Design

As part of the **Internship Programme,** students of **Grade IX & X** visited the **MIT Institute of Design**, exploring **Automotive Design, Interior Design, Graphic Design, Animation, Film & Video Design,** and **Bamboo Life Studio.** The immersive experience sparked creativity, innovation, and awareness of exciting career opportunities in the world of design.

2. Industry Insights in Action

As part of the **Internship Programme**, students of **Grade IX & X** visited **Jorinco**

Practices & Events

Specialities Private Limited to explore manufacturing processes, raw material handling, and blow moulding technology. The industrial exposure bridged classroom learning with real-world applications, inspiring innovation, teamwork, and informed career exploration.

Students in Action

Emerging Young Leaders Student Council Elections 2026–27

Leadership Begins Here

Students of Grade IX & X embraced the democratic spirit during the Student Council Elections 2026–27. From nominations and interviews to casting their votes, learners demonstrated leadership, confidence, responsibility, and teamwork, laying the foundation for a dynamic student council committed to serving the school community.

Teen Camp 2026 – Talent, Teamwork & Triumph

A group of 15 enthusiastic students participated in the exciting **Teen Camp 2026** held at The Deltin from 23rd April to 25th April under the guidance of Sports Coach Aditya Pawar. The camp was a vibrant platform for students to showcase their creativity, confidence, leadership, and team spirit through a variety of competitions and interactive activities.

The students brought immense pride to the school by securing the **2nd Position in State Dance** and the **3rd Position in Western Bollywood Dance,** displaying exceptional energy, coordination, and stage presence.

Students in Action

They also enthusiastically participated in activities such as **TED Talks, Debates, Retro Dance, Pool Dance, Minute-to-Win-It Games,** and other engaging events that fostered communication skills, creativity, collaboration, and confidence.

The camp proved to be a memorable and enriching experience, empowering students to step beyond their comfort zones, celebrate their talents, and create unforgettable moments of learning, friendship, and achievement.

Shaping Future Diplomats – MUN Induction Session

Future Diplomats in the Making

New members of the **MUN Club** embarked on an inspiring journey into diplomacy and global affairs during an induction session led by **Hemanshi Dedhia.** The interactive programme nurtured public speaking, debating, research, negotiation, and critical thinking, empowering students to become confident and responsible global citizens.

Training & Support

Empowering Educators Through Future-Ready Learning

Teachers and school leaders enhanced their professional expertise through **CBSE Capacity Building Programmes** on **Social Science** and **Computational Thinking & Artificial Intelligence.** The enriching sessions strengthened innovative pedagogy, experiential learning, technology integration, and AI-driven instructional practices, fostering future-ready and student-centric classrooms.

SCHOOL ACHIEVEMENTS

Excellence Redefined - Achievements

Stellar Grade X Board Batch of 2026

Our **Grade X** students - Batch of 2026, created history by achieving a **100% success rate** in the CBSE Board Examination 2025–26. The remarkable feat included **3 Centums in English** and **2 Centums in Information Technology,** reflecting the dedication of students, unwavering support of parents, and the committed mentorship of teachers.

National Lawn Tennis Championship

The school assembly on 29th April 2026 was filled with pride and celebration as **Shloke Aland of Grade VI 'B'** was felicitated for his outstanding achievement at the **All India Tennis Association Championship Series** held in Patna from 15th March to 20th March 2026.

Showcasing exceptional skill, determination, and sportsmanship, he secured the **1st Position in the Under 11–14 Boys Category,** bringing immense honour to the school. His remarkable success inspired the entire school community and stood as a shining example of dedication, discipline, and excellence in sports.

SCHOOL ACHIEVEMENTS

National Roll Ball Championship

The school assembly on 29th April 2026 witnessed a proud and celebratory moment as **Master Advik Kumar of Grade V 'A'** was felicitated for his remarkable achievement at the **National Roll Ball Championship – Under 11 Boys Category,** held on 20th and 21st April 2026 at Ahmedabad, Gujarat.

Amid loud applause and admiration, the young sports champion was honoured for his exceptional talent, determination, and outstanding sportsmanship, bringing immense pride to the school. His achievement stands as an inspiration to all students, encouraging them to pursue their passion with confidence, discipline, and perseverance.

Students Speak

Teen Camp Diaries – A Journey of Confidence, Friendship & Growth

Participating in Teen Camp was truly a wonderful and life-enriching experience for me. The camp not only boosted my confidence and agility but also helped me develop a better understanding of teamwork, communication, and self-expression in a fun and engaging environment.

One of the most memorable parts of the camp was bonding with students of my age group through exciting activities, competitions, and interactive sessions that created unforgettable memories and friendships. Every experience encouraged me to step out of my comfort zone, learn new skills, and grow more confident each day.

I sincerely appreciate the tremendous efforts taken by the management and mentors in organising such a vibrant and meaningful platform for students. Their dedication, care, and encouragement made the entire experience at Deltin Daman is truly priceless and unforgettable.

- Miss Keyur Vairale,
Grade X 'A'

Students Speak

Leadership with Vision – The Voice of Tomorrow's Student Leaders

Leadership, to me, is not about being the loudest voice in the room; it is about inspiring others through actions, responsibility, and kindness. A true leader listens, learns, and motivates people to work together towards a common goal. As students, we may be young, but we all have the power to create positive change through our ideas, discipline, and determination.

I believe leadership begins with self-confidence and the courage to step forward even when challenges arise. Whether it is helping classmates, participating in school activities, or taking initiative during teamwork, every small action shapes us into future leaders. A strong vision gives direction, but empathy, respect, and teamwork make leadership meaningful.

Today's youth are tomorrow's changemakers. By dreaming big, staying focused, and leading with integrity, we can inspire others and build a future filled with innovation, compassion, and success.

- Miss Navya Asrani,
Grade X 'B'

PARENT'S CORNER

Celebrating Excellence, Values & Holistic Growth

As a proud foundational parent, I feel immense joy and satisfaction in witnessing the remarkable journey of the school in nurturing young minds with excellence and values. The well-structured curriculum, strong academic foundation, and enriching co-scholastic opportunities have played a significant role in the holistic development of my child, Atharva Gautam.

I truly appreciate the school's continuous efforts in building stage confidence, communication skills, creativity, and leadership qualities among students, helping them grow into confident and expressive individuals. I am especially grateful to the empathetic leadership of the School Principal, the dedicated teachers, and the ever-supportive staff members who create a caring, disciplined, and motivating learning environment every day. The school's positive culture, values, and commitment towards holistic education make me feel proud to be associated with this institution, which truly inspires children to learn, lead, and excel with confidence and compassion.

- Mr. Amit Gautam,

Parent of Atharva Gautam - Grade IX

PARENT'S CORNER

A Heartfelt Tribute to 50 Glorious Years of Ryan Excellence

The school proudly shares a heartfelt note of appreciation received from the parent of Samyak Biswal, congratulating the Ryan Group of Institutions on its remarkable journey of **50 glorious years** in the field of education.

Expressing sincere gratitude towards the management, the parent appreciated the institution's unwavering commitment to nurturing students through holistic development, value-based education, and enriching learning experiences. Special appreciation was also extended to the School Principal and teachers for their dedicated efforts in grooming children with confidence, discipline, communication skills, and a positive outlook towards life.

The message beautifully reflected the trust, pride, and strong partnership shared between the school and parents in shaping confident, compassionate, and future-ready learners.

- Ms. Subhashri Biswal,
Parent of Master Samyak Biswal - Grade IX
