Connect **August 2025**
Grades I to X

From the Principal's Desk

As we move through the academic year, August brings with it an opportunity to reflect on one of life's most essential virtues — **Fortitude**.

In a world filled with challenges, fortitude is the quiet strength that helps us persevere, stay grounded, and move forward even in the face of adversity. Whether it's preparing for exams, managing peer pressure, or facing personal struggles — it is this inner resilience that sets individuals apart.

Fortitude does not mean the absence of fear or difficulty, but rather the courage to stand tall despite them. At school, we aim to nurture this spirit in every student — to help them become not only academically strong but also emotionally resilient.

To all our young learners: never underestimate the power of persistence and a calm mind. And to our parents: your support is the bedrock upon which this strength is built. Let us continue working together to help our students thrive — with courage, character, and conviction.

- Ms. Ruchi Masih,
Principal, RIA Bavdhan

Mrs. Ruchi Masih - Principal

Ms. Aparna Pore - PRT English

Quote of the Month

**“Whoever is happy will
make others happy too.”**

- Anne Frank, German Diarist

The quote captures the essence of inner strength. True fortitude means standing firm in your beliefs and values, even when it's unpopular or difficult. In a world that often rewards agreement and conformity, it takes real courage to say “no” — to resist pressure, speak the truth, and uphold integrity. This quiet strength defines moral character more than loud declarations ever could.

Teacher's Speak

Lady

Smile for the Sorrows
ready to do what everyone follows!
Tears for the Celebration
It's the heart's narration!!
Busy for the Family
Triggers Time calmly!!!
Anger is for another Gender
Ignored but a hidden member!!!!
Yes for the No
No is not in the row!!!!
Who says no one can understand her,
Her life is as simple as a pocket calendar!!!

PRT English**

Activities

Friendship Day

We celebrated Friendship Day with joy and enthusiasm. Students exchanged friendship bands, made cards, and took part in fun activities that highlighted the value of friendship. These helped strengthen bonds and promote kindness and togetherness. It was a cheerful and memorable day for all!

Rakshabandhan

Rakshabandhan was celebrated with great cultural spirit and enthusiasm. Students took part in rakhi-making activities, showcasing their creativity and love for the festival. An elocution competition on the topic "The Significance of Rakshabandhan" allowed students to express their thoughts on the importance of sibling bonds, love, and protection.

The celebration beautifully reflected the values of unity, tradition, and affection among students.

Independence Day Celebration

Students actively participated in various activities such as a Role Play competition - "Leaders Walk", where they portrayed freedom fighters, a House-wise Patriotic Singing Competition, and a Patriotic Song Competition. Additionally, students showcased their artistic talents by sketching national symbols and key moments from the freedom struggle. The event instilled a deep sense of national pride and respect for the sacrifices of our freedom fighters.

ISRO Day

ISRO Day was marked to honor India's remarkable achievements in space science and technology. Young learners took part in a Show and Tell session, sharing

Activities

space-related toys and pictures. An elocution competition allowed students to speak about their favorite ISRO missions and scientists, while others researched and shared valuable insights about ISRO's contributions to space research.

The event also included essay writing on topics like "The Story of ISRO - Pride of India", "India's Journey in Space with ISRO", and "Chandrayaan to Gaganyaan - Our Achievements".

The celebration was a tribute to India's space legacy and inspired students to dream big and reach for the stars.

Founder's Day

Founder's Day was marked with great enthusiasm, honoring the visionary leadership of Chairman Sir, Dr. A. F. Pinto. The day began with a special assembly highlighting Chairman Sir's 12-Point Vision through a skit which was performed during the Special Assembly, inspiring students to strive for excellence and service.

Students across grades participated in activities like the Best Birthday Message competition, card-making, Values and Legacy presentations, speech, and essay writing on themes related to the founder's vision and impact. The celebration reflected gratitude, creativity, and admiration for the founder's enduring legacy.

National Sports Day

Students participated in various engaging activities such as drawing, writing, role play, and craft, all centered around the theme of sports to mark the National Sport Day. They also shared thoughts on their favorite sports and players, showcasing creativity and passion.

The celebration encouraged physical fitness, teamwork, and highlighted the importance of sports in daily life.

Activities

English Learning Enrichment Programme (ELEP)

Students explored a variety of stories through active listening and reading, which helped deepen their comprehension, expand vocabulary, and spark imagination. Through group discussions, they improved their listening, speaking, and critical thinking skills. Their enthusiastic participation played a key role in nurturing confident, thoughtful, and effective communicators.

Passion Building Initiative

School clubs provided students with meaningful opportunities to explore their passions, develop new interests, and gain hands-on learning experiences.

In the Eco and Gardening Club, students learned how to grow spinach and closely observed its growth process, nurturing patience and responsibility. As part of Revival Lost Art Club, students explored Madhubani art, learning traditional techniques and cultural significance.

The Home Science Club introduced students to the basics of home decor, allowing them to express creativity while understanding aesthetic and functional design. Meanwhile, the Maths Centre of Excellence helped transform Math anxiety into enthusiasm, promoting problem-solving, logical thinking, and celebrating student achievement in gaining clarity on various Mathematical Concepts.

Vocational Initiatives

During the French sessions, children were introduced to vocabulary and cultural insights, fostering awareness about the

Activities

language. Coding classes develop logical thinking and digital fluency through age-appropriate activities. Students developed confidence and social skills through Speech and Drama classes.

Students of Speech and Drama Initiative recently performed a special assembly drama depicting stories of freedom fighters and showcased Chairman Sir's vision on Founders Day through their acts.

Optional Sports

Our Young Athletes at Ryan International Academy, Bavdhan, showcase determination and passion across sports. From refining swimming techniques and building stamina to developing agility in skating, football, cricket, and basketball, they display skill, teamwork, and sportsmanship. Beyond competition, their resilience, camaraderie, and love for the game reflect the school's commitment to holistic growth and active lifestyles.

Assemblies @ A Glance

Special Assembly on the Value - "Fortitude"

A special assembly on the theme "Fortitude" celebrated the strength to face challenges with courage and perseverance. Through inspiring acts, quotes, and student reflections, the assembly emphasized resilience and determination. Students were encouraged to embrace challenges as opportunities for growth, applying fortitude in their everyday lives.

Assemblies @ A Glance

Special Assembly on Independence Day

The school celebrated Independence Day with great patriotic spirit. Chief Guests Lt. Col. Kushal Rai and Dr. Paresh Gandhi inspired students with their words. Energetic dance performances by students of Grades I to VI added vibrance to the event. The celebration truly honoured India's freedom and its unsung heroes.

Class Activities

Innovation Lab Activity

"Imagination fuels creativity; action turns it into innovation."

Students from Grades I to VIII actively participated in interactive sessions on exciting topics such as creating the Pepper's Ghost illusion, green energy, electronic voting machines, and PIR-based intruder alarms. They also explored concepts like sprinkler and drip irrigation systems, magnetic separators, and the free energy road project. These hands-on activities reflect the academy's dedication to promoting innovation and experiential learning.

Events - Galaxy

Parent Teacher Meeting

A productive Parent Teacher Meeting on 23rd August. The session fostered meaningful dialogue on students' progress and growth. Constructive feedback and collaboration strengthened the home-school partnership. Parents appreciated the school's commitment to a nurturing learning environment, supporting each child's academic and personal development.

HSCP Meeting

An HSCP Committee Meeting was conducted on 14th August, attended by all committee members. Mr. Atul Dage, the HSCP Coordinator, briefed the team on recent updates and the safety and security measures implemented at school. The meeting reinforced the school's commitment to maintaining a safe and secure environment for all.

Traffic Rules and Safety Workshop

An engaging workshop on Traffic Rules and Road Safety was conducted by Mr. Vijay Patil for Grades VI to X. Through interactive activities and real-life examples, students learned about road signs, pedestrian safety, and responsible behavior. The session effectively raised awareness and inspired students to adopt safe practices in daily life.

Victory on the Field - U17 Boys' Football Triumphs

The Under-17 Boys' Football Team brought pride to Ryan International Academy, Bavdhan, with back-to-back victories in the DSO Inter-School Football Tournament. On 8th August 2025, the team defeated Immanuel English Medium School 2-0 at Ferguson College Ground. Continuing their winning streak, they secured another 2-0 victory against Saint Merry School on 12th August 2025. The team displayed excellent coordination, skill, and sportsmanship throughout both matches. Congratulations to our young champions!

As I sit in my class on the last day of school, I gaze at the blue folder, thinking what do they do when we all had our summer vacations? As, all of us have left and all the folders are on the top of lockers and there is a folder with a bookmark that has mountains and a sun which was really bored and saw the world out of the window. What a beautiful world outside and this classroom is so dull. so, it spoke to its friend, a normal folder with a name tag and said Hey friend, do you think this class is boring and the normal folder replied kind of. Let's get out of here and explore the world! the folder with a nametag said I am not sure said the scared folder. O come on and thus he was convinced and jumped out of the window. As I came after the holidays, I could not find my folder and as you all readers know if you ever lost your folder, it just jumped out of the window!

**- Miss Arianna V Patil,
Grade VI 'B'**
