

RYAN
INTERNATIONAL ACADEMY

SCHOOL
Connect **September 2025**
Grades I to X

From the Principal's Desk

Integrity is doing what's right — not for praise, not out of fear, but because it's the right thing to do. It means being honest in your words, responsible in your actions, and respectful in your choices.

At Ryan International Academy, we believe that who our children become is just as important as what they achieve. Whether it's owning up to a mistake, playing fair in a game, standing up for a friend, or choosing not to take shortcuts — these are the quiet victories of integrity.

To our dear students: remember, true strength lies in being trustworthy, even when no one is watching.

To our parents: thank you for being the first role models of integrity in your child's life. Together, let's nurture hearts that shine with honesty, courage, and compassion — shaping responsible citizens and confident leaders of tomorrow.

- Ms. Ruchi Masih,
Principal, RIA Bavdhan

Editorial Team:

Mrs. Ruchi Masih - Principal

Ms. Aparna Pore - PRT English

Quote of the Month

“No matter what the environment around you, it is always possible to maintain your brand of integrity.”

- Dr. A. P .J. Abdul Kalam

The quote captures the essence of inner strength. True fortitude means standing firm in your beliefs and values, even when it's unpopular or difficult. In a world that often rewards agreement and conformity, it takes real courage to say “no” — to resist pressure, speak the truth, and uphold integrity. This quiet strength defines moral character more than loud declarations ever could.

Coordinator's Speak

“खाली हाथ नहीं ”

हम किसी के घर खाली हाथ जाते नहीं,
आते वक्त भी खाली हाथ आये नहीं,
उसके घर जाते समयभी हम खाली हाथ जायेंगे नहीं,
जो लेके आये वो लेके ही जायेंगे,
लेके जायेंगे हमारे प्रति आपका स्नेह,
लेके जायेंगे हमारे प्रति आपके आंसू,
लेके जायेंगे हमारे प्रति आपके लम्हें,
लेके जायेंगे हमारे प्रति आपके साथ बिताये वो पल,
जो लेके आये थे वो सब हम हमारी झोली में भर के ले जायेंगे ।
कौन कहता है हम खाली हाथ आये हैं?
कौन कहता है हम खाली हाथ जा रहे हैं ।

- Ms. Suchitra,
PRT Marathi

Activities

Fueling Future Health National Nutrition Week

National Nutrition Week on 2nd September sparked delicious learning! Students crafted Food Rainbows and designed Healthy Lunchboxes to master balanced eating. Older grades held a Recipe Contest and wrote "Eat Right, Live Bright" slogans, empowering everyone to make smart, nutritious choices daily.

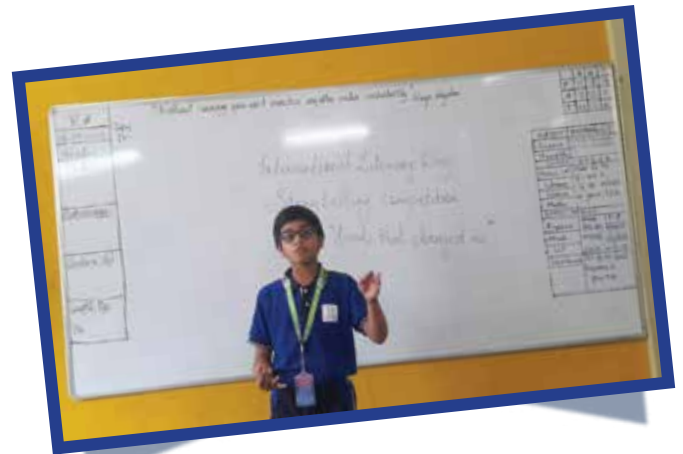

A Bouquet of Gratitude Teacher's Day Celebration

Our school celebrated Teacher's Day on 4th September with heartfelt tributes. Younger students recited poems, while Grade III to VIII designed creative "Thank You" cards themed "My Teacher, My Inspiration." Seniors penned personal gratitude letters, filling the day with warmth and sincere appreciation for our educators.

International Literacy Day- Unlocking Worlds Through Words

International Literacy Day on 8th September, 2025 was a celebration of reading. Activities included a Reading Competition, creative Book Reviews, and inspiring Storytelling. Senior students sharpened their critical minds in a vibrant debate on "E-Books vs. Printed Books," highlighting the enduring power of literature.

Hindi Diwas Celebration The Heartbeat of India: Hindi Diwas

Hindi Diwas on 15th September 2025 promoted our national language through engaging activities. Grades III to V enhanced

Activities

speaking with 'चित्र वर्णन' (picture description). Older students participated in essay writing on 'हिन्दी भाषा का भविष्य' and 'डिजिटल युग में हिन्दी की प्रासंगिकता,' strengthening their skills and respect for Hindi.

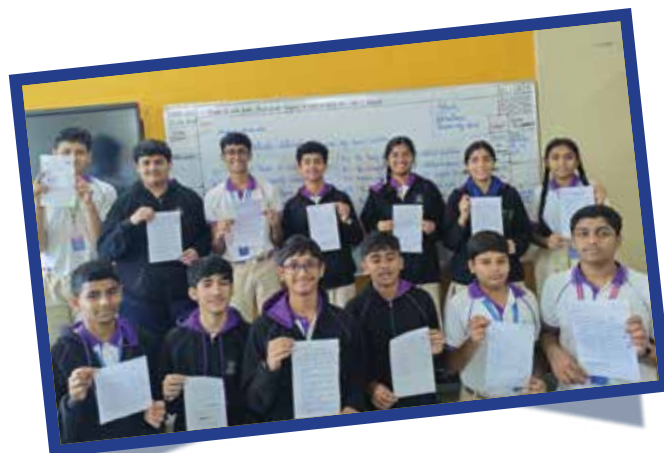

Hon'ble PM Mr. Narendra Modi's Birthday - Wishing the Nation's Leader

Our school honored Hon'ble PM Shri Narendra Modi Ji's birthday on 17th September. Students from Grades VI to X participated in a Letter Writing Competition, thoughtfully composing birthday wishes and expressing gratitude for his national contributions. The most heartfelt letters will be sent to the PMO.

Exploring the Global Canvas on International Tourism Day

We marked International Tourism Day by fostering cultural curiosity. Younger students held a JAM Session on "Importance of Travelling." Grades III to V gave engaging Country Presentations, while seniors tested their knowledge in Indian and World Tourism Quizzes, emphasizing the role of travel in connecting cultures.

The Art of Eloquence - English Learning Enrichment Programme

The English Learning Enrichment Programme (ELEP) sharpened key communication skills. Students mastered cursive writing for clarity, expanded their vocabulary and comprehension through story time, and boosted listening, speaking, and critical thinking via group discussions, transforming them into confident and effective communicators.

Activities

Cultivating Skills, Nurturing Souls - Through Passion Building Initiatives

Our Passion Building Initiative allowed students to dive into hands-on learning. The Eco Club made bird feeders, while others revived Madhubani art or explored Home Science crafts. The Maths Centre turned anxiety into enthusiasm, fostering a love for logic, creativity, and environmental care.

Skills for a Global Future through Vocational Initiatives

The new Vocational Initiative for Grades I to VIII focuses on 21st-century skills. Students build global awareness through French, enhance logical thinking with Coding projects, and boost confidence via Helen O'Grady Drama. These dynamic subjects enrich learning and prepare students for a well-rounded future.

Champions of the Court and Field - Optional Sports

Our dedicated young athletes shine in various Optional Sports. Whether it's refining technique in swimming, honing balance in skating, or showcasing teamwork in football, cricket, and basketball, these champions embody resilience, strategy, and camaraderie, demonstrating a deep passion for the game.

Assemblies @ A Glance

Special Assembly on the Value - “Integrity - The Unseen Watchman”

A Special Assembly on Integrity was conducted through a powerful drama by Grade VIII. Students learned how honesty and moral principles build trust and character. The session emphasized making the right choices even when unwatched, inspiring a culture of responsibility in daily life.

Class Activities

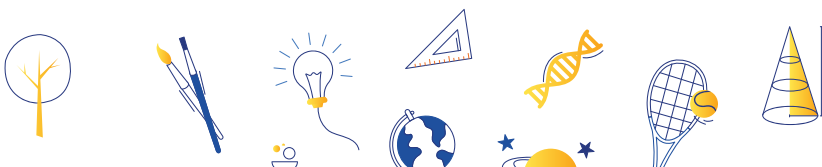

Innovation Lab Activity: Engineering Tomorrow's Minds

The Innovation Lab Activity turned young learners into inventors! Students from Grades I to VIII explored hands-on projects, from building hydraulic pressure stamps and electric circuits to creating PIR intruder alarms. The sessions nurtured practical learning and the skills of future problem-solvers.

Entrepreneurship - Smart Money, Bright Future

Financial Literacy sessions equipped Grade VII & VIII with vital money management skills. Students explored key concepts like saving, budgeting, and smart spending. Through real-life examples, they gained practical knowledge to make informed financial decisions, fostering early independence and responsibility.

Class Activities

Experiential Learning - Science Experiments

Students engaged in Experiential Learning through hands-on Yardstick activities. Grades I to VIII explored EVS and Science concepts, enabling them to grasp complex ideas more effectively. This interactive approach enhanced their curiosity, problem-solving skills, and ability to apply learning to real-life situations.

Events - Galaxy

Tirangaa: An Interschool Competition

Our school successfully hosted the inter-school competition, "Tirangaa," featuring the theme "Breaking Barriers and Building Dreams." Around 183 students from local schools showcased vivid talents in music, art, intellectual contests, and drama. Winners were honored with medals and certificates, celebrating their remarkable skills and creativity.

Events - Galaxy

Internship Session: Mapping Financial Future

Ms. Seema Maurya and Mr. Gaurang Kapse (Bank of Baroda) spoke to students about the power of financial literacy. The session, conducted on 10th September 2025; highlighted diverse career paths beyond banking, including Fin-Tech, Investment, and CA. It encouraged students to explore the vast financial landscape and consider Commerce and Economics for higher studies.

Session on Dealing with Exam Stress

A crucial session on "Dealing with Exam Stress" was held for Grades I to X in phases. The school counsellor shared practical strategies like time management, relaxation techniques, and healthy habits. Students learned to approach exams with confidence and balance, fostering a positive academic mindset.

Plantation Drive - Rooted in Responsibility

Our students demonstrated their commitment to the environment during a Plantation Drive at Bhukum. Enthusiastically planting saplings, they learned the vital role of trees in ecological balance. The initiative instilled a strong sense of responsibility toward nature and encouraged green actions.

Launching Tomorrow's Leaders: Rotract Club

The Rotract Club at Ryan International Academy-Bavdhan was successfully formed, partnering with the Rotary Club of Laxmi Road, Pune. Office bearers were felicitated and pinned, with the expectation that they will be the flag bearers of change and societal

Events - Galaxy

development. We look forward to collaborative projects to bring positive community impact.

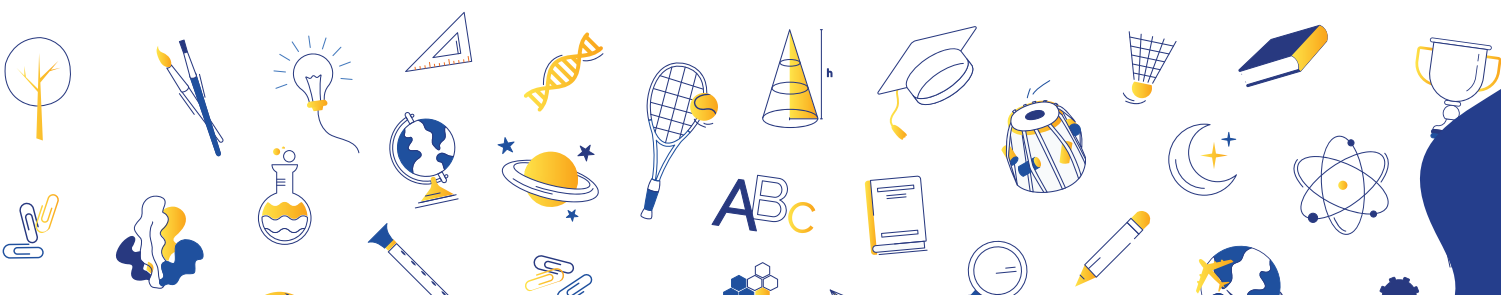

Educational Field Trip to Aga Khan Palace - A journey through History

Grades I to V embarked on an Educational Field Trip to Aga Khan Palace on 20th September. Students explored the palace's rich history, learning about its connection to Mahatma Gandhi and the freedom movement, fostering curiosity, respect for heritage, and engaging experiential learning.

2.	U14 Boys Table Tennis	Inter School Badminton Tournament organised by Sanjay Ghadowad International School. Mst. Aarush Badve - Grade IX bagged the Second place.
3.	U14 Boys Table Tennis	Inter School Badminton Tournament organised by Sanjay Ghadowad International School. Mst. Ram Jhedu - Grade IX won finished Third.
4.	U14 Girls Table Tennis	Inter School Badminton Tournament organised by Sanjay Ghadowad International School Ms. Ramee Jhedu - Grade VII, bagged the First position.
5.	U14 Girls Table Tennis	Inter School Badminton Tournament organised by Sanjay Ghadowad International School Ms. Shreya - Grade VI, bagged the Second position.

PARENT'S CORNER

The Winning Equation

As parents, we realize true success requires more than just high grades; it demands well-being and discipline. We strongly advocate for a healthy balance where time for play, sports, or games is as protected as study time. Activities like sports or creative play teach invaluable lessons in teamwork, resilience, and time management that are crucial for real life. This balanced routine is key to preventing burnout, fostering better concentration, and ensuring our children grow into happy, disciplined, and well-rounded individuals ready for any challenge.
