June & July 2026

Grades I to VIII

From the Principal's Desk

Greetings from Ryan International Academy, Horamavu!

The month of June has been a wonderful beginning to the new academic year, filled with meaningful learning experiences and vibrant student participation. Our students enthusiastically celebrated **World Environment Day, Investiture Ceremony,** and **Book Campaign,** while also engaging in activities that nurtured creativity, confidence, communication, and social responsibility. These experiences provided valuable opportunities for our learners to grow beyond the classroom and develop essential life skills.

Our **Value of the Month –** Joy reminded every child to approach learning with enthusiasm, positivity, and gratitude. It was heartening to witness our students embracing each activity with energy, curiosity, and a joyful spirit, making every moment a memorable learning experience.

I sincerely thank our parents for their continued trust, encouragement, and unwavering support. Together, let us continue to inspire our children to learn with confidence, lead with compassion, and celebrate every step of their educational journey.

- Ms. Shiny Joyce,
Principal, RIA Horamavu

Chief Editor

- Ms. Shiny George - Principal

Editorial Committee:

Primary

- Ms. Geetha
- Ms. Joy Rajan

Quote of the month

"Coming together is a beginning.
Keeping together is progress.
Working together is success."

- Henry Ford

Value of the Month

Joy

Joy is a feeling of deep happiness, gratitude, and contentment that comes from appreciating life's positive moments and spreading kindness to others. It encourages us to stay positive, enjoy learning, celebrate achievements, and bring happiness to those around us.

"Choose joy every day by smiling, being kind, helping others, and appreciating the little things that make life beautiful."

Determination

Determination is the wake-up call to the human will."

– Anthony Robbins

Determination is the inner strength that motivates us to keep moving forward, even when life becomes difficult. It helps us believe in ourselves and gives us the courage to face challenges without giving up. A determined person understands that success does not come easily. They learn from their mistakes, work hard, and keep trying until they achieve their goal. Determination turns our dreams into action and our challenges into opportunities. Let us always remember that when we are determined, we can overcome obstacles, achieve our goals, and become the best version of ourselves

EVENTS

World Environment Day Grades I to VIII

The primary students celebrated World Environment Day with great enthusiasm to inspire students to become responsible stewards of the environment. Through a variety of engaging activities, students learned the importance of protecting nature, conserving resources, and adopting sustainable practices in their daily lives. The celebration encouraged students to reflect on simple yet impactful actions such as planting trees, reducing waste, recycling, and keeping their surroundings clean. Their active participation showcased their commitment to creating a greener, healthier, and more sustainable future. The programme reinforced the message that every individual can make a positive difference through small, consistent efforts. Ryan International Academy continues to nurture environmentally conscious citizens who are committed to preserving the planet for future generations.

National Doctor's Day Grades I to VIII

Our students celebrated National Doctors' Day on 1st July with great enthusiasm. The celebration helped children understand the important role doctors play in keeping us healthy and caring for us when we are unwell. Through engaging activities and discussions, the students learned about the work of doctors and expressed their gratitude towards these healthcare heroes. The children participated enthusiastically and shared their thoughts about doctors. The celebration was a wonderful way to develop respect, gratitude, and awareness among our young learners. A heartfelt thank you to all the doctors for their selfless service and care!

EVENTS

Ryan Pinto Sir's Birthday - Grades I to VIII

On 8th July, our students celebrated the birthday of our esteemed CEO, Mr. Ryan Pinto, with great joy and enthusiasm. As part of the celebration, the students drew and coloured beautiful birthday cards and expressed their warm wishes and gratitude. The activity encouraged creativity while helping children learn the value of determination, appreciation, and respect. It was a joyful and meaningful celebration filled with creativity and smiles. Wishing our CEO, Mr. Ryan Pinto, a very Happy Birthday.

ISRC – Inter - School Recycling Championship Grades I to VIII

Our students enthusiastically participated in the Inter-School Recycling Championship (ISRC) – Paper Recycling Drive which was conducted on 28th July. They contributed various recyclable paper materials such as old notebooks, textbooks, newspapers, magazines, exam papers, and waste paper.The event helped students understand the importance of recycling, waste segregation, and environmental responsibility. It was wonderful to see their active participation and enthusiasm towards keeping our planet clean and green. Be a recycler, be a planet saver!

Health Check Up Grades I to VIII

The Annual Health Assessment was conducted from 29th to 31st July 2026. The assessment focused on monitoring the students' overall health and well-being. All students participated in the assessment with cooperation and enthusiasm. The initiative helped promote awareness about the importance of good

EVENTS

health, regular check-ups, and healthy habits among our young learners. We appreciate the support and cooperation of the parents in making the health assessment a smooth and successful initiative.

ACADEMIC ACTIVITIES

Maths Lab Activity – My Math Playground Grade II

Students enthusiastically participated in a fun and interactive Math Lab Activity as part of the chapter "My Math Playground." Using place value materials such as hundreds grids, tens strips, and ones cubes, students worked collaboratively in small groups to form 3-digit numbers between 100 and 200.They represented numbers using concrete materials and then wrote them in expanded form, helping them understand the value of hundreds, tens, and ones. Students also strengthened their learning by identifying even and odd numbers and practising sequencing skills through engaging activities. The hands-on approach made learning meaningful, encouraged teamwork, and enhanced students' confidence in applying place value concepts in an enjoyable way. It was a wonderful session filled with exploration, collaboration, and mathematical thinking.

Home Science - Personal Hygiene - Grade II

Personal hygiene means keeping our body clean and healthy. We should brush our teeth twice a day, take a bath every day, wash our hands before eating, keep our nails clean and short, wear clean clothes, and comb our hair. Good hygiene keeps germs away and helps us stay healthy and happy.

ACADEMIC ACTIVITIES

Thank you Note for Community

Our community helpers work tirelessly to keep our communities safe, healthy, clean, and happy. From doctors and nurses to police officers, firefighters, teachers, sanitation workers, and many others, each one plays an important role in our daily lives. We express our heartfelt gratitude to all our community helpers for their dedication, courage, and selfless service. Thank you for all that you do to make our community a better place! Your hard work and kindness truly make a difference.

Star of the Week - June

Every week, we celebrate a **Star of the Week** to recognize a student who has demonstrated outstanding behaviour, active participation, kindness, confidence, and a positive attitude towards learning. This appreciation motivates children to give their best and inspires their classmates to develop good habits and values. The recognition helps build self-confidence, encourages responsibility, and fosters a sense of achievement. Congratulations to our **Star of the Week** for being a wonderful role model and shining brightly through their enthusiasm and excellent efforts. Keep up the great work!

Star of the Week - July Grade II

The 3rd week of July, the Star of the Week was Shaun Yadav. He has been selected for his positive attitude, good behaviour, active participation, and helpful nature. He is kind, respectful, and always willing to help his classmates and teachers. It was wonderful to learn about his likes, dislikes, and favourite things. His little brother's presence also brought smiles to everyone.

ACADEMIC ACTIVITIES

We are proud of Shaun and wish him continued success and happiness.

Congratulations, Shaun, on being the Star of the Week!

Coding - Grade I

Sequence Lab Activity- Rabbit Chase

Our young learners of Grade I enthusiastically participated in the Sequence Lab activity, where they explored the basic concepts of algorithms and sequences through an engaging hands-on challenge. In this activity, students helped a bunny navigate a simple maze by following step-by-step instructions to reach a carrot. The activity encouraged children to think logically, identify patterns, and understand the importance of performing actions in the correct order. As they planned and followed each step, students strengthened their problem-solving skills while learning that clear and sequential instructions are essential for completing a task successfully. The Sequence Lab made learning interactive and enjoyable, helping students build a strong foundation in computational thinking, logical reasoning, and following instructions with confidence.

Innovation Academy Grade III

Robo Judge

Students created an interactive Scratch program on RoboJudge to evaluate sportsmanship based on users' responses. They used coding blocks to make decisions and display appropriate feedback, helping them understand how programs use logic to solve simple real-world problems.

Skills Developed: Logical thinking, Sequencing and coding, Problem-solving, Decision-making using conditions, Creativity, Debugging.

ACADEMIC ACTIVITIES

Innovation Academy Grade IV

Forest Alert System Using IR Sensor

Students were doing a model of forest alert system using an IR sensor to detect objects or movement near a protected area. When an obstacle was detected, the system activated an alert using an LED and buzzer. They built the forest trees and road to complete the model. The activity introduced students to sensors and demonstrated how technology can help protect forests and detect unwanted movement.

Music

In July, music classes across all grades focus on inspiring songs about unity, friendship, and joy. Grade I & II learn "Hello to All the Children of the World," practicing easy rhythms and singing friendly greetings in different languages using simple hand actions. Grade III & IV work on "We Are the World," focusing on deep breathing, mixing their voices smoothly together, and switching between soft verses and loud choruses. Grades V through 8 tackle the energetic song "Ek Zindagi," using it to master fast rhythms, clear Hindi pronunciation, and high-energy singing so they can perform the upbeat message with confidence and emotion.

Dance

Students from Grades III to IV participated enthusiastically in a Free Style Dance activity. They expressed themselves through energetic movements, rhythm, and creative dance steps. The activity encouraged students to explore their creativity, build confidence, improve coordination, and enjoy the joy of movement. With lively music and enthusiastic performances, the students created a vibrant and cheerful atmosphere.

ACADEMIC ACTIVITIES

Their participation was a wonderful celebration of creativity, confidence, expression, and the love for dance.

Speech & Drama Grade I

Speech and Drama empowers children to bring stories alive through voice, expression, and movement. The picture depicts students practising essential stage skills and high-impact movements, which help them learn stage positioning, body awareness, and confident performance.

Physical Education Grade II

Students of Grade II learned the basic batting and bowling stances in cricket. They practiced ball tapping to improve hand-eye coordination and spot bowling to develop accuracy, balance, and basic bowling skills

MONTHLY EVENT

Parent Orientation Programme

Ryan International Academy, Horamavu, successfully conducted the Parent Orientation Program, marking the beginning of a strong partnership between the school and parents. The session provided an overview of the school's vision, academic curriculum, teaching methodologies, assessment practices, and co-curricular opportunities. Parents were introduced to the school's policies, classroom expectations, and the various initiatives designed to support the holistic development of every child. The interactive session encouraged open communication, allowing

MONTHLY EVENT

parents to gain valuable insights into their child's learning journey and collaborate effectively with the school. The program concluded with an engaging interaction between the school leadership, teachers, and parents, reinforcing the shared commitment to nurturing confident, responsible, and lifelong learners. The enthusiastic participation of parents reflected their dedication to their children's growth and the strong home-school partnership that defines the Ryan Group of Institutions.

First Day of School Grade III

The First Day of School marked the beginning of an exciting new academic year at Ryan International Academy, Horamavu. Students arrived with bright smiles, eager to meet their teachers, classmates, and explore their new classrooms. The day was filled with warm welcome activities, interactive games, ice-breaker sessions, and classroom introductions that helped children feel comfortable and confident. Teachers created a cheerful and nurturing environment, ensuring every child experienced a joyful and memorable start to the school year. The celebrations encouraged friendship, curiosity, and enthusiasm for learning, setting a positive tone for the months ahead. It was a wonderful beginning to a year filled with new experiences, meaningful learning, and lasting memories.

Investiture Ceremony

The Investiture Ceremony was held on 20th June 2026 with great pride and dignity to formally induct the newly elected Student Council. The ceremony marked the beginning of a new chapter of leadership, responsibility, and service.

The student leaders were conferred with badges and sashes, and they solemnly took

MONTHLY EVENT

the oath to uphold the values and ethos of the school with sincerity and dedication. The Principal congratulated the newly appointed leaders and encouraged them to lead by example, demonstrating integrity, discipline, and commitment in all their endeavours. The ceremony concluded on an inspiring note, motivating the young leaders to serve the school community with confidence, responsibility, and a spirit of excellence.

Book Campaign Grades I to VIII

Ryan International Academy successfully organized a Book Campaign to inspire a love for reading and encourage the habit of sharing knowledge. The initiative aimed to promote literacy, develop reading habits, and foster a spirit of generosity among students. Students enthusiastically contributed books across a variety of genres, demonstrating their commitment to making reading accessible to others. The campaign highlighted the importance of books as powerful tools for learning, imagination, and personal growth while encouraging students to appreciate the value of giving. The overwhelming participation from students, parents, and staff made the campaign a meaningful success, reflecting the school's commitment to nurturing compassionate, responsible, and lifelong learners. Together, we celebrated the joy of reading and the belief that every book shared opens the door to a new world of knowledge and opportunity.

ECO GARDENING

Water Wonders in a Bag – Watching the Water Cycle Come Alive - Grade IV ‘A’ & ‘B’

Our Grade IV young scientists created a Zip-lock Water Cycle Model to investigate evaporation, condensation, and precipitation. By observing water changes inside the bag, students discovered how the Sun drives the continuous water cycle. This hands-on investigation strengthened observation, scientific thinking, and real-life understanding of Earth's natural water recycling system.

STUDENTS ACHIEVEMENT

Shanaya Sreenivas

We are proud to announce that Shanaya Sreenivas of Grade II has secured 1st place in the 2nd Inter-school Skating championship 2026, conducted by Evergreen sports Academy at VIBGYOR High school, Electronic city, Bengaluru. She won the championship in the Tenacity skating category, and received a Certification of Merit and a Gold Medal.

Suvansh Rana

We are delighted to congratulate Suvansh Rana of Grade IV on earning his Black Belt in Taekwondo. This remarkable achievement reflects his hard work, discipline, dedication, and perseverance. Achieving a black belt is a significant milestone that requires consistent practice and determination.

Your school is proud of your success and wishes you continued excellence in both academics and sports. Keep striving for greater heights and inspiring everyone around you. Congratulations once again, Suvansh!

Janet Deborah

National Doodles Derby Drawing Olympiad – Achievement

We are delighted to share that Janet Deborah - Grade I has secured an impressive 14th Rank in the National Doodles Derby Drawing Olympiad 2025–2026. Her achievement reflects her creativity, artistic talent, and enthusiasm for drawing. We congratulate Janet on this wonderful accomplishment and wish her continued success in her creative journey.

STUDENTS ACHIEVEMENT

Tammana J Patel

National Doodles Derby Drawing Olympiad

We are delighted to share that Tamanna J Patel of Grade I has secured an impressive 24th Rank in the National Doodles Derby Drawing Olympiad 2025–2026. Her achievement showcases her creativity, artistic skills, and enthusiasm for drawing. We congratulate Tamanna on this wonderful accomplishment and wish her continued success in her creative journey.

Reyansh Kishore

We are delighted to share that Reyansh Kishore has secured a Gold Medal in the Taekwondo Championship. This outstanding achievement reflects his hard work, dedication, discipline, and perseverance. We are incredibly proud of his success and wish him many more victories in the future.

Congratulations, Champion! Keep shining and making us proud!

Congratulations to Reyansh Kishore!

Ayush Kishore

We are proud to announce that Ayush Kishore has secured a Silver Medal in the Taekwondo Championship. This remarkable achievement is a testament to his dedication, discipline, and hard work. We congratulate him on this success and wish him many more accomplishments in the future.

Congratulations, Ayush! Keep up the great work!

Students Speak

School is not just a place where I learn from books; it is a place where I discover new things about myself every day. I enjoy learning with my teachers and friends through activities, projects, discussions, competitions, and celebrations. Each experience teaches me something new and helps me become more confident and responsible. I especially enjoy participating in school events and working together with my classmates. The encouragement I receive from my teachers motivates me to give my best and never be afraid of making mistakes. My friends make every school day more enjoyable, and together we create memories that I will always cherish. I am thankful to my teachers for guiding and supporting me throughout my journey. I look forward to learning more, exploring my interests, developing new skills, and making every school day meaningful and memorable.

- Aarush Arivind,

Grade VII 'A'

July was a really fun month at school, full of learning, activities, and great experiences. I enjoyed joining classroom discussions, working on creative projects, taking part in competitions, and celebrating special events. Every activity taught me something new, helped me build my skills, and made me feel more confident. I especially enjoyed working with my classmates and joining different school events. Working as a team made everything more fun, and my teachers' support encouraged me to always do my best. I also learned that making mistakes is okay because they help me improve. I'm thankful to my teachers for guiding and encouraging me throughout July. I'm excited to keep learning new things, explore my interests, and make more happy memories.

- Devasena Desingh,

Grade VIII

PARENT'S CORNER

We sincerely thank Parv's teacher for the love, care, patience, and dedication shown throughout his learning journey. Your encouragement and guidance have helped him grow in confidence and develop a love for learning. We truly appreciate your constant support and the positive impact you have made in his life. Thank you for everything you do.

- Ms. Richa Gupta,

Grade I 'B'

As a parent, I have been associated with Ryan International School for the past four years. I have two daughters studying here—one in Montessori and the other in Grade IV. I truly appreciate the school's positive and receptive approach towards parents' feedback. It is encouraging to see that suggestions are listened to with an open mind and, wherever appropriate, are thoughtfully implemented. This reflects the school's commitment to continuous improvement and creating a better learning experience for its students.I am happy to be a part of the Ryan family and look forward to seeing the school continue to grow and evolve in the years ahead.

- Ms. Swathi Karthik,

Grade IV

The reopening of school brings with it a fresh beginning, renewed energy, and the joy of welcoming our students back. Classrooms once again come alive with laughter, curiosity, and eager minds ready to learn. A new school term is a wonderful opportunity to set new goals, explore new ideas, build friendships, and create meaningful memories. As teachers, we look forward to guiding and supporting our students through every step of their learning journey. Let us begin this new chapter with enthusiasm, positivity, and a willingness to learn. May this term be filled with exciting experiences, new discoveries, and many moments of growth and achievement. Welcome back, dear students! Let's make this school year a wonderful one!

- Ms. Priya Shivhare,

Teacher - Grade II 'B'

The Primary Section is a place where young minds discover, explore, and learn with joy. Every day brings new opportunities to nurture curiosity, creativity, confidence, and kindness in our students. Through engaging lessons and meaningful activities, we strive to make learning enjoyable and purposeful. As teachers, we feel privileged to guide our young learners, celebrate

Teacher's CORNER

their achievements, and support them as they take every new step towards becoming confident and responsible individuals. Together with our parents, we look forward to creating many more joyful learning experiences and cherished memories.

Regards,

-Mr. Rebekah Alfred Emmanuel,

Teacher - Grade III 'A'
