June - July 2026
Mont I to Grade VIII

From the Principal Desk

June marked the beginning of a vibrant new academic year, brimming with energy, enthusiasm, and a host of engaging events and activities that fostered learning, growth, and a strong sense of community. Students embraced the opportunity to explore new themes and topics, developing skills that not only enriched their academic knowledge but also broadened their perspectives about the world around them.

The month saw a variety of inspiring activities, including the World Environment Day celebrations, where students actively participated in plantation drives and eco-awareness sessions. The Investiture Ceremony provided a platform for young leaders to step forward with confidence and responsibility, while International Yoga Day promoted the importance of physical wellness and mindfulness. These events brought together the joy of participation with the value of experiential learning, reinforcing that education extends well beyond classroom walls.

The spirit of June reflects our belief that learning is a lifelong journey—one that thrives on curiosity, compassion, and courage. As we move forward into the year, we remain committed to providing meaningful opportunities that help every child shine in their unique way. "Education is not the filling of a pail, but the lighting of a fire." — William Butler Yeats

Value of the Month - Joy

Joy is the simplest form of gratitude

-Karl Barth

Joy is a feeling of deep happiness, gratitude, and contentment that comes from appreciating life's positive moments and spreading kindness to others. It encourages us to stay positive, enjoy learning, celebrate achievements, and bring happiness to those around us.

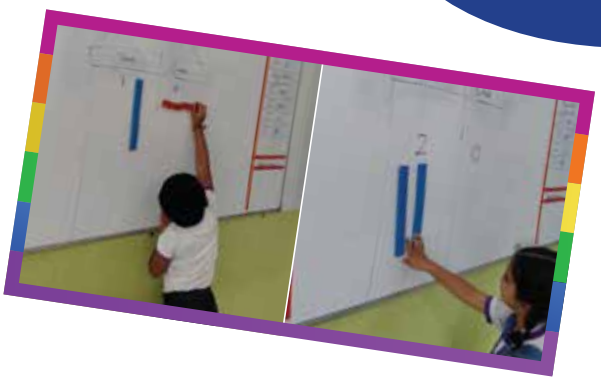

ACADEMIC ACTIVITIES

Tens and Ones - Mont III

Learning Numbers through Place Value (Magnetic Tens and Ones)

The teacher introduced place value using magnetic tens and ones on the board. Different numbers were displayed using tens rods and one's units. Children observed the magnets and counted the tens and ones to identify the number. They then came forward and represented numbers using the magnetic place value pieces. This hands-on activity helped children understand how numbers are formed through tens and ones.

ऋ – Clay Activity Mont III

Hands on Clay Activity

Learners explored the Hindi letter ऋ through a hands-on clay activity. They rolled and shaped clay to form the letter ऋ, helping them understand its structure and formation. This tactile experience made learning the letter engaging and enjoyable.

TEACHER'S CORNER

"As we move through another exciting term at RIAK, I am thrilled to see the continued growth and enthusiasm in our students. This month has been filled with meaningful activities that not only enhance academic learning but also promote values of patriotism, responsibility, and environmental awareness.

Our students enthusiastically celebrated **World Environment Day, Father's Day,** and **International Yoga Day,** creating meaningful opportunities for learning, awareness, appreciation, and well-being. World Environment Day encouraged students to understand the importance of protecting our environment, while Father's Day gave them an opportunity to express gratitude and appreciation for their fathers and father figures. International Yoga Day highlighted the importance of physical fitness, mindfulness, and a balanced lifestyle.

These experiences have fostered curiosity, creativity, awareness, and responsible citizenship, making learning vibrant and meaningful. We are incredibly proud of our students' enthusiasm and efforts and look forward to many more inspiring learning experiences ahead.

- Ms. Priyanka Godwin,
Educator

PARENT'S CORNER

We are proud to see Ivanka. A actively participating in school activities during February and March, which have helped build her confidence and love for learning. She performed enthusiastically on Annual Day, enjoyed exploring and learning during the field trip to Mathurashree Farms, and took part in special celebrations by dressing as Kittur Rani Chennamma on Republic Day and wearing an army uniform on Army Day, showing respect for our nation. We truly appreciate the efforts of the teachers and school for organizing such meaningful activities that support her overall development.

- Mr. B. Avinash,
Parent of Ivanka. A - Grade I

STUDENT'S CORNER

The activities conducted in February were both engaging and educational. Learning went beyond textbooks and became more practical and interactive. During World Pulses Day, we explored the importance of pulses as essential nutrients, and many of us even brought different varieties to deepen our understanding.

I enjoy coming to school and learning.
