

From the Principal's Desk

The month of June was filled with meaningful learning experiences and joyful celebrations for our Montessori learners. Through activities such as World Environment Day, International Yoga Day, and Father's Day, our children explored creativity, kindness, gratitude, and care for the world around them. Every activity was thoughtfully designed to nurture curiosity, confidence, and holistic development in a fun and engaging manner.

Our Value of the Month – Joy encouraged our little learners to embrace happiness, spread smiles, and appreciate the simple moments of everyday life. It was heartwarming to see them participate with enthusiasm, creativity, and a positive spirit.

I sincerely thank our parents for their constant support and partnership in making every school experience enriching and memorable. Together, let us continue to inspire our children to learn with joy, grow with confidence, and shine with kindness.

Quote of the month

*“Coming together is a beginning.
Keeping together is progress.
Working together is success.”*

– Henry Ford

The Value of the month - Joy

Joy is a feeling of deep happiness, gratitude, and contentment that comes from appreciating life's positive moments and spreading kindness to others. It encourages us to stay positive, enjoy learning, celebrate achievements, and bring happiness to those around us.

“Choose joy every day by smiling, being kind, helping others, and appreciating the little things that make life beautiful.”

EVENTS

World Environment Day - Mont I to III

Our Montessori learners celebrated **World Environment Day** with great enthusiasm through engaging and meaningful activities. They explored the beauty of nature by participating in handprint art, leaf printing, and a nature walk around the campus. The activities helped children understand the importance of protecting plants, trees, animals, and keeping their surroundings clean. Through observation and creative expression, they learned simple eco-friendly habits such as saving water, avoiding littering, and caring for the environment. The celebration encouraged curiosity, creativity, and environmental responsibility among the young learners. It was a joyful and enriching experience that inspired them to become little guardians of our planet.

Father's Day - Mont I to III

Our Montessori learners celebrated **Father's Day** with love and enthusiasm through the **Make a Tie Competition**. The children creatively designed colourful paper ties to express their gratitude and affection for their fathers. The activity encouraged them to appreciate the love, care, and guidance of their father figures while developing their creativity and fine motor skills. Students also shared a few words about their fathers, making the celebration more meaningful and heartwarming. The event helped strengthen family values and encouraged children to express their feelings with confidence. It was a joyful celebration filled with love, respect, and cherished memories.

EVENTS

International Yoga Day - Mont I to III

Our Montessori learners celebrated **International Yoga Day** with great enthusiasm by participating in simple yoga poses and fun breathing activities using feathers. The session introduced children to the importance of yoga in maintaining a healthy body and a peaceful mind. Through guided exercises, they practised balance, flexibility, coordination, and mindful breathing in an engaging manner. The activities helped improve their concentration, relaxation, and overall well-being. Students participated actively with cheerful smiles and positive energy throughout the session. The celebration encouraged them to adopt healthy habits and understand the value of yoga as a part of their daily lives.

Red Day Celebration Mont I to III

Our Montessori learners celebrated **Red Day** with great excitement through a variety of engaging colour-based activities. Dressed in vibrant shades of red, the children enthusiastically identified and explored red-coloured objects found around them. They participated in interactive games, songs, and creative activities that helped them recognize and name the colour red with confidence. The celebration enhanced their observation, communication, and cognitive skills while making learning enjoyable. Students actively took part in group discussions and hands-on activities, making the experience lively and memorable. The event successfully reinforced colour recognition and encouraged active participation in a fun-filled learning environment.

ACADEMIC ACTIVITIES

Sorting of Shapes – Circle Identification - Mont I 'A'

The students of **Mont I 'A'** enthusiastically participated in the **Sorting of Shapes** activity during their General Awareness class. Children carefully observed a collection of different shapes and successfully identified and picked only the **circle** shape. As they selected the correct shape, they confidently showed it to the teacher and said, "Circle." The activity enhanced their observation, visual discrimination, and shape recognition skills in a fun and interactive way. It also encouraged active participation, improved concentration, and strengthened their vocabulary. The hands-on learning experience helped children confidently recognize and sort the circle shape while making learning enjoyable and meaningful.

My School Activity Mont II 'B'

The students of **Montessori II 'B'** enthusiastically participated in the **"My School"** activity, where they were introduced to the school environment and its different areas. They learned to identify important places such as the classroom, library, playground, and music room while understanding the activities carried out in each space. The interactive session helped children recognize the importance of their school and develop a sense of belonging. Students confidently named their school and spoke simple sentences about it, enhancing their communication and speaking skills. They also learned the importance of following basic school rules and maintaining discipline. The activity made learning enjoyable while building confidence, observation skills, and familiarity with the school environment.

EVENTS

Investiture Ceremony

Ryan International Academy, Magadi Road, proudly conducted its **Investiture Ceremony** with great dignity and enthusiasm, marking the official appointment of the Student Council for the academic year. The ceremony began with a warm welcome, followed by the ceremonial pinning of badges and the administration of the oath, where the newly elected student leaders pledged to uphold the values of integrity, discipline, responsibility, and service. The Principal congratulated the office bearers and inspired them to lead with confidence, commitment, and compassion. The event also featured vibrant cultural performances that added joy and elegance to the occasion. The ceremony served as a meaningful platform to instill leadership qualities, teamwork, and accountability among students while reinforcing the school's commitment to nurturing responsible future leaders.

Parent Orientation Programme

Ryan International Academy, Magadi Road, successfully conducted the Parent Orientation Programme to warmly welcome parents at the beginning of the academic year. The session provided valuable insights into the school's vision, curriculum, teaching methodologies, assessment practices, and co-curricular activities. Parents were introduced to the school's policies, expectations, and various initiatives aimed at ensuring the holistic development of every child. The programme also emphasized the importance of a strong partnership between parents and teachers in creating a positive and supportive learning environment. The interactive session offered parents an opportunity to clarify their queries and gain a better understanding of their child's learning journey. The programme concluded

EVENTS

with an optimistic vision of working together to nurture confident, responsible, and lifelong learners.

First Day of School

The First Day of School marked the beginning of an exciting new academic year at Ryan International Academy, Magadi Road. Students arrived with bright smiles, eager to meet their teachers, classmates, and explore their new classrooms. The day was filled with warm welcome activities, interactive games, ice-breaker sessions, and classroom introductions that helped children feel comfortable and confident. Teachers created a cheerful and nurturing environment, ensuring every child experienced a joyful and memorable start to the school year. The celebrations encouraged friendship, curiosity, and enthusiasm for learning, setting a positive tone for the months ahead. It was a wonderful beginning to a year filled with new experiences, meaningful learning, and lasting memories.

Structured PE - Mont III

Students from Montessori enthusiastically participated in the **Zigzag Ball Roll** and **Cone Ring Relay** activities during their Physical Education session. The Zigzag Ball Roll helped children develop hand-eye coordination, balance, and body control as they carefully guided the ball through a zigzag pathway. The Cone Ring Relay encouraged students to run, place rings on cones, and complete the relay with speed and accuracy, enhancing their agility, concentration, and focus. Both activities promoted physical fitness, coordination, teamwork, and confidence while making learning active and enjoyable. Students displayed excellent sportsmanship,

EVENTS

enthusiasm, and active participation throughout the session, making it a fun-filled and enriching experience.

Innovation Academy

The Montessori 3 learners enthusiastically participated in a series of engaging **Innovation Academy** activities that encouraged observation, exploration, and hands-on learning. Through the **Sense Organs** activity, children identified the five sense organs by sorting picture cards and learned how each organ helps us experience the world through sight, hearing, smell, taste, and touch. In the **Healthy and Unhealthy Food** activity, they sorted food images into healthy and unhealthy categories, developing an understanding of nutritious food choices and healthy eating habits. During the **Shape Sorting** activity, students identified and classified different two-dimensional shapes based on their type, size, and colour, strengthening their observation and classification skills. The **Slide and Roll** activity allowed children to experiment with everyday objects by observing whether they could slide, roll, or do both on a ramp, helping them understand the properties of different shapes through practical exploration. These interactive activities nurtured critical thinking, problem-solving, creativity, and curiosity while making learning enjoyable, meaningful, and age-appropriate for young learners.

Music - Mont III

The Montessori learners enthusiastically participated in their music sessions, making learning enjoyable through singing and musical exploration. **Montessori I** students

EVENTS

learned the inspirational song **"We Shall Overcome"** and were introduced to **musical notes**, helping them understand the basics of music and rhythm. **Montessori II & III** students learned the melodious song **"Lavender's Blue"** while practising rhythm, melody, and vocal expression. They were also introduced to **different musical instruments**, learning to identify them by their appearance and sound. These engaging sessions enhanced students' listening skills, confidence, rhythm, creativity, and appreciation for music, fostering a strong foundation and love for music from an early age.

Dance - Mont III

The Montessori learners enthusiastically participated in Praise and Worship dance practice sessions with great joy and energy. Through simple dance movements and actions, the children learned to express themselves with confidence while developing rhythm, coordination, and balance. The practice sessions encouraged active participation, teamwork, and discipline in a fun and engaging environment. Students followed the music with enthusiasm, improving their listening skills, body movements, and stage confidence. The sessions also helped nurture creativity and self-expression, making dance a joyful and meaningful learning experience for our young learners.

STAR OF THE WEEK

Every week, we celebrate a **“Star of the Week”** to recognize a student who has demonstrated outstanding behaviour, active participation, kindness, confidence, and a positive attitude towards learning.

This appreciation motivates children to give their best and inspires their classmates to develop good habits and values. The recognition helps build self-confidence, encourages responsibility, and fosters a sense of achievement.

Congratulations to our **Star of the Week** for being a wonderful role model and shining brightly through their enthusiasm and excellent efforts. Keep up the great work!

STUDENT CORNER

I love coming to school because every day is full of fun and new learning. I enjoy singing songs, dancing with my friends, listening to stories, and doing colourful art and craft activities. My teachers help me learn new things with love and make every class exciting. I like playing games, exploring different activities, and celebrating special days at school. I have made many friends, and we learn, play, and grow together. My school is my happy place where I smile, learn, and create beautiful memories every day. Thank you, my dear teachers, for making learning so joyful and special!.

- Ihaan Shreenath,

Head Boy - Mont III 'A'

It has been a wonderful and rewarding month filled with joyful learning, exciting discoveries, and memorable experiences for our young learners. I am delighted to see each child participating enthusiastically in classroom activities, celebrations, and hands-on learning experiences. Their curiosity, creativity, and growing confidence have made every day special.

Through interactive activities, music, dance, physical education, and creative learning experiences, our children have continued to develop academically, socially, and emotionally. It is heartwarming to watch them become more independent, responsible, and eager to learn new things.

I sincerely appreciate the constant support, encouragement, and cooperation extended by all our parents. Your involvement at home plays a significant role in reinforcing classroom learning and building your child's confidence. Together, we are creating a safe, happy, and inspiring environment where every child is encouraged to explore, grow, and shine.

I look forward to another month filled with meaningful learning experiences and beautiful memories with our little stars. Thank you for being our valued partners in your child's learning journey.

**- Ms. Meenakshi,
Teacher - Mont III 'A'**

PARENT'S CORNER

"As parents, we are truly grateful to be a part of the Ryan International Academy family. It is heartwarming to see our child look forward to going to school each day with excitement and a smile. The thoughtfully planned activities, interactive lessons, and celebrations have made learning enjoyable and meaningful. We have noticed significant growth in our child's confidence, communication, creativity, and social skills. The love, patience, and dedication shown by the teachers have created a safe and nurturing environment where every child feels valued and encouraged to learn.

We sincerely appreciate the constant efforts of the teachers and the school management in providing a balanced learning experience that focuses on both academics and overall personality development. Thank you for inspiring our children to become confident, kind, and curious learners. We look forward to many more joyful learning experiences and cherish the wonderful partnership between home and school."
