INTERNATIONAL ACADEMY

 **SCHOOL**
Connect **June 2026**
Grades I to VI

From the Principal's Desk

The month of June has been a wonderful beginning to the new academic year, filled with meaningful learning experiences and vibrant student participation. Our students enthusiastically celebrated **World Environment Day, International Yoga Day, and Father's Day**, while also engaging in activities that nurtured creativity, confidence, communication, and social responsibility. These experiences provided valuable opportunities for our learners to grow beyond the classroom and develop essential life skills.

Our Value of the Month – Joy reminded every child to approach learning with enthusiasm, positivity, and gratitude. It was heartening to witness our students embracing each activity with energy, curiosity, and a joyful spirit, making every moment a memorable learning experience.

I sincerely thank our parents for their continued trust, encouragement, and unwavering support. Together, let us continue to inspire our children to learn with confidence, lead with compassion, and celebrate every step of their educational journey.

- Ms. Prathima Patel G B,
Principal, RIA Magadi Road

Quote of the month

***“Coming together is a beginning.
Keeping together is progress.
Working together is success.”***

- Henry Ford

The Value of the month - Joy

Joy is a feeling of deep happiness, gratitude, and contentment that comes from appreciating life's positive moments and spreading kindness to others. It encourages us to stay positive, enjoy learning, celebrate achievements, and bring happiness to those around us.

"Choose joy every day by smiling, being kind, helping others, and appreciating the little things that make life beautiful."

EVENTS

World Environment Day Grades I to VI

The Primary students enthusiastically celebrated World Environment Day by participating in a variety of creative and awareness-based activities. Grade I & II showcased their artistic talents through the Bookmark Making Competition, designing colourful bookmarks with inspiring environmental messages. Grade III & IV confidently expressed their commitment to protecting nature during the Show and Tell activity, sharing practical ways to conserve the environment. Grade V & VI displayed remarkable creativity in the Dry Leaf Poster and Slogan/Poem Competition, using natural materials to spread meaningful messages about environmental conservation. The celebration encouraged students to understand the importance of preserving nature, adopt eco-friendly practices, and become responsible citizens. It was an enriching experience that nurtured creativity, confidence, and environmental responsibility.

Father's Day Grades I to VI

The Primary students celebrated Father's Day with love, gratitude, and creativity through a variety of meaningful activities. Grade I & II participated in the "I Love You Dad" Card Making Competition, creating colourful handmade cards filled with heartfelt messages. Grades III to V expressed their appreciation through the Thank You Letter Writing Competition, writing thoughtful letters to acknowledge the love, care, and guidance of their fathers. Grade VI students showcased their writing skills in the "Dear Dad..." Open Letter Competition, sharing their emotions and gratitude through meaningful letters. The celebration strengthened family values, encouraged emotional expression, and provided students with an opportunity to honour and appreciate the invaluable role of fathers in their lives.

EVENTS

International Yoga Day Grades I to VI

The Primary section observed International Yoga Day with great enthusiasm by participating in yoga and mindfulness activities that promoted physical and mental well-being. Students of Grade I & II practised simple breathing exercises, while Grades III to V actively participated in guided breathing and mindfulness sessions to improve concentration and emotional balance. Grade VI students engaged in meditation and relaxation techniques, understanding the importance of maintaining harmony between the mind and body. The session encouraged discipline, flexibility, self-awareness, and healthy lifestyle habits. Students enjoyed the activities and learned how regular yoga practice contributes to overall health, inner peace, and emotional well-being.

ACADEMIC ACTIVITIES

English Activity - "If I Were..." - Grade I

Students enthusiastically participated in the "If I Were..." poem activity by dressing up as different professionals, including a **doctor, police officer, chef, and teacher**. Each student confidently recited the poem while portraying their chosen profession through expressive role play. The activity enabled children to understand the importance of community helpers and appreciate the valuable services they provide. With the support of visual presentations and simple props, students enhanced their pronunciation, vocabulary, communication, and public speaking skills. Their confidence, creativity, and enthusiasm were clearly reflected in their performances. The activity made language

ACADEMIC ACTIVITIES

learning interactive, enjoyable, and memorable while encouraging imagination and self-expression.

Maths Lab Activity – Place Value Using Linking Cubes (4-Digit Numbers) - Grade III

Students enthusiastically participated in the **Maths Lab Activity on Place Value of 4-Digit Numbers** using colourful linking cubes. Working in pairs, they represented and built different 4-digit numbers by arranging the cubes according to their place values. The hands-on activity helped students identify thousands, hundreds, tens, and ones while strengthening their understanding of number formation. They also practised reading, representing, and comparing numbers through collaborative learning. The activity enhanced their problem-solving abilities, logical thinking, and teamwork while making mathematical concepts more engaging and meaningful. Students actively participated with confidence, transforming abstract concepts into practical learning experiences through the effective use of manipulatives.

EVENTS

Investiture Ceremony

Ryan International Academy, Magadi Road, proudly conducted its **Investiture Ceremony** with great dignity and enthusiasm, marking the official appointment of the Student Council for the academic year. The ceremony began with a warm welcome, followed by the ceremonial pinning of badges and the administration of the oath, where the newly elected student leaders pledged to uphold the values of integrity,

EVENTS

discipline, responsibility, and service. The Principal congratulated the office bearers and inspired them to lead with confidence, commitment, and compassion. The event also featured vibrant cultural performances that added joy and elegance to the occasion. The ceremony served as a meaningful platform to instill leadership qualities, teamwork, and accountability among students while reinforcing the school's commitment to nurturing responsible future leaders.

15 Books Campaign

Ryan International Academy, Magadi Road, successfully launched its **Book Campaign – Read to Lead** with the aim of fostering a lifelong love for reading and nurturing creativity, imagination, and language skills among students. The campaign featured an inspiring interactive session by **Mr. Sachin Honnesari**, an acclaimed author, President of the Bharatiya Sahakara Bank, Project Manager at IBM, and a passionate literacy advocate. Through engaging storytelling and meaningful discussions based on her book, **The Principal's Guide**, she encouraged students to explore the world of books and develop a habit of reading. The session inspired young learners to think creatively, express their ideas confidently, and appreciate the power of literature. The event concluded with an interactive question-and-answer session, leaving students motivated to read, learn, and grow as confident, compassionate, and lifelong learners.

Parent Teacher Meeting

An Informal **Parent Teacher Meeting** was conducted to foster a strong partnership between parents and the school at the beginning of the academic year. The meeting provided an opportunity for parents to meet their child's **Class Teacher** and become familiar with the classroom environment, teaching methodology, and school expectations. Teachers shared

EVENTS

valuable insights into each student's initial adjustment, participation, learning progress, and overall development. Parents were encouraged to discuss their child's strengths, areas for improvement, and any concerns they wished to address. The interactive session strengthened communication between parents and teachers, ensuring a collaborative approach towards the holistic growth and academic success of every child.

English Language Enrichment Programme

As part of the **English Language Enrichment Programme (ELEP)**, the school conducted the **Word of the Day** initiative during the morning assembly to enhance students' vocabulary and communication skills. Every day, a new word was introduced along with its meaning, pronunciation, and usage in a sentence, helping students understand and apply it in their daily conversations. During the month, students successfully learned and explored **25 Words of the Day**, enriching their vocabulary and boosting their confidence in using English effectively. The initiative encouraged consistent language development, improved pronunciation, and fostered a love for learning new words, making English learning engaging, interactive, and meaningful.

Eco-Gardening - Coconut Shell Plantation Activity Grade I 'A' & 'B'

As part of our commitment to environmental sustainability, students enthusiastically participated in the **Eco Gardening** activity by planting saplings in **recycled coconut shells**. They carefully filled the coconut shells with soil, planted young saplings, and learned the importance of nurturing plants using eco-friendly materials. The activity encouraged students to understand the value of reusing natural resources while promoting greenery and environmental conservation. Students were

EVENTS

excited to take responsibility for watering and caring for their plants, observing their growth over time. This hands-on experience helped develop a sense of responsibility, patience, and love for nature while reinforcing the importance of sustainable living. The activity inspired young learners to become environmentally conscious and contribute towards creating a greener and healthier future.

Handwashing Activity Grade II 'A' & 'B'

Students enthusiastically participated in a **Home Science** session on the importance of **proper handwashing** for maintaining good health and hygiene. Through a step-by-step demonstration, they learned the correct technique for washing their hands using soap and water, including cleaning the palms, back of the hands, between the fingers, thumbs, fingertips, and wrists. The interactive activity helped students understand how proper hand hygiene prevents the spread of germs and keeps them healthy. They actively practised each step with enthusiasm and confidence, making the session engaging and enjoyable. The activity encouraged students to develop healthy hygiene habits and highlighted the importance of washing hands before eating, after using the washroom, and after playing outdoors. It was a practical and meaningful learning experience that promoted cleanliness, responsibility, and overall well-being.

SPECIAL ASSEMBLY

Interesting Math Fact Grade V

As part of the morning assembly, a student confidently shared an interesting mathematical fact with the school. The presentation highlighted that **2 is the smallest and the only even prime number**, making it unique among all numbers. The student also demonstrated a fascinating fact that **$2 + 2 = 4$ and $2 \times 2 = 4$** , showing that both addition and multiplication produce the same result in this special case. The presentation was delivered with clarity and confidence, capturing the attention of the audience and making mathematics enjoyable and engaging. Such assembly activities encourage students to develop public speaking skills, build confidence, and foster curiosity and appreciation for the wonders of mathematics.

Structured Physical Education - Grades I to VI

Students actively participated in a variety of **Physical Education and Sports** activities designed to promote fitness, coordination, and teamwork. **Grade I & II** enthusiastically took part in the **Zigzag Ball Roll** and **Cone Ring Relay**, which helped develop hand-eye coordination, balance, body control, agility, speed, concentration, and focus through fun and engaging challenges.

Students from **Grades III to VI** attended specialized sports sessions based on their chosen discipline. During **Futsal** classes, they practised ball control, short passing, and dribbling to improve their football skills and teamwork.

Innovation Academy Grades I to VI

Students from **Grades I to VI** enthusiastically

SPECIAL ASSEMBLY

participated in a variety of **Innovation Lab** activities that promoted experiential learning, creativity, and critical thinking. Through interactive, hands-on activities, students explored concepts in science, mathematics, technology, and environmental studies by building models, solving challenges, conducting experiments, and using educational learning tools. The sessions covered topics such as living and non-living things, force, patterns, place value, 3D shapes, the water cycle, capillary action, fractions, states of matter, renewable energy, magnets, integers, automation, and many more. Students actively observed, experimented, collaborated, and presented their ideas, making learning meaningful and engaging. These activities enhanced problem-solving abilities, logical reasoning, communication, observation, and teamwork while encouraging innovation and curiosity. The Innovation Lab provided an inspiring environment where students connected classroom concepts with real-life applications and developed essential 21st-century skills through practical learning.

Music - Grades I to VI

Students from **Grades I to VI** enthusiastically participated in their music sessions, where they learned a variety of songs while developing rhythm, melody, and vocal expression. Students from **Grade I & II** joyfully sang "**Aao Bachho**" and "**We Will Rock You**", while also learning about **Indian musical instruments** and their unique sounds. **Grade III** students performed "**Ilaahi**" and "**We Will Rock You**" and were introduced to the concept of **rhythm**, helping them understand beat and timing in music. **Grade IV** students practised "**We Will Rock You**" and "**Believer**", along with learning about different **Indian musical instruments**. **Grade V** students enthusiastically rehearsed "**We Will Rock You**," "**Aao Bachho**," and "**Waka Waka**," enhancing their confidence and stage presence. **Grade VI** students focused on performing "**We Will Rock You**" with proper

SPECIAL ASSEMBLY

rhythm and expression. These engaging music sessions nurtured creativity, listening skills, teamwork, confidence, and appreciation for different musical styles while making learning enjoyable and interactive.

Dance - Grades I to VI

Students of Grades I, II, & VI actively participated in dance practice for **Praise and Worship songs**. They enthusiastically learned graceful dance movements that complemented the songs while improving their rhythm, coordination, and expressions. The practice sessions encouraged teamwork, confidence, and discipline as students rehearsed together for the upcoming school programme. Their dedication and joyful participation made the sessions engaging and meaningful, fostering both artistic expression and stage confidence.

Students of Grade VI & V enthusiastically participated in dance rehearsals for the **Investiture Ceremony**. They practised the welcome dance performance for the song **"Dear Leaders"** with dedication and enthusiasm. The sessions focused on learning coordinated movements, expressions, stage formations, and synchronization to deliver a confident performance. Students demonstrated teamwork, discipline, and commitment while preparing for the ceremony. The rehearsals enhanced their confidence, stage presence, rhythm, and coordination, making them well-prepared for the upcoming event.

Health, Safety and Child Protection (HSCP) Practices

HSCP Induction Programme - POCSO & POSH

The school conducted an **HSCP (Health, Safety & Child Protection) Induction Programme** to create awareness among staff about maintaining a safe, healthy, and secure learning environment. The session focused on the importance of ensuring the physical, emotional, and psychological well-being of every child and highlighted the shared responsibility of all staff members in safeguarding students.

The induction covered key aspects of **Health and Safety**, including maintaining hygiene, emergency preparedness, first aid awareness, fire safety, and creating a safe school environment. Staff members were also sensitized to the provisions of the **Protection of Children from Sexual Offences (POCSO) Act**, emphasizing child protection, recognising signs of abuse, mandatory reporting procedures, and maintaining a child-friendly approach. In addition, the session included an overview of the **Prevention of Sexual Harassment (POSH) Act**, reinforcing the importance of a respectful, inclusive, and harassment-free workplace. The programme strengthened awareness of safeguarding policies, ethical responsibilities, and the commitment to ensuring the safety, dignity, and well-being of every child and staff member at Ryan International Academy.

First Aid Training for Transport Staff

The school conducted a **First Aid Training** session for the transport staff to enhance their preparedness in handling medical emergencies during student transportation. The training covered essential first aid techniques, including the management of minor injuries, bleeding, burns, fractures, choking, and basic CPR awareness. Staff members were guided on how to respond calmly and effectively during emergencies until professional medical assistance is available. The session also emphasized student safety, emergency communication procedures, and the importance of maintaining a well-equipped first aid kit in every school vehicle. Through practical demonstrations and interactive discussions, the training strengthened the confidence and emergency response skills of the transport team, reinforcing the school's commitment to ensuring the safety and well-being of every student.

Health, Safety and Child Protection (HSCP) Practices

Anti-Bullying Awareness Programme for Teachers

The school conducted an **Anti-Bullying Awareness Programme** for teachers to reinforce the importance of creating a safe, respectful, and inclusive learning environment for every student. The session focused on identifying different forms of bullying, including physical, verbal, social, and cyberbullying, and understanding their impact on students' emotional and psychological well-being. Teachers were guided on recognising early warning signs, responding appropriately to incidents, and following the school's anti-bullying policy and reporting procedures. The programme also emphasized promoting empathy, respect, positive behaviour, and open communication within the classroom. Through discussions and case-based examples, teachers strengthened their role in preventing bullying and fostering a supportive school culture where every child feels safe, valued, and respected.

Every week, we celebrate a **“Star of the Week”** to recognize a student who has demonstrated outstanding behaviour, active participation, kindness, confidence, and a positive attitude towards learning. This appreciation motivates children to give their best and inspires their classmates to develop good habits and values. The recognition helps build self-confidence, encourages responsibility, and fosters a sense of achievement. Congratulations to our **Star of the Week** for being a wonderful role model and shining brightly through their enthusiasm and excellent efforts. Keep up the great work!

The month of **June** marked a wonderful beginning to the new academic year, filled with meaningful learning experiences, celebrations, and opportunities for holistic development. From celebrating **World Environment Day, International Yoga Day, and Father's Day** to conducting the **Investiture Ceremony, Book Campaign - Read to Lead, ELEP - Word of the Day, Innovation Academy**, and various co-curricular activities, our students enthusiastically embraced every opportunity to learn and grow.

It has been heartening to witness our learners participate with confidence, curiosity, and joy in classroom activities, sports, music, dance, and creative competitions. These experiences have not only strengthened their academic understanding but have also nurtured essential life skills such as leadership, teamwork, communication, creativity, environmental responsibility, and respect for others.

As teachers, we believe that every activity is an opportunity to inspire young minds beyond textbooks. Through interactive learning, hands-on experiences, and value-based education, we strive to create a nurturing environment where every child feels encouraged to explore, express, and excel.

The Value of the Month - Joy was beautifully reflected in the smiles, enthusiasm, and positive spirit displayed by our students throughout the month. Their eagerness to participate and willingness to learn made every classroom and school event truly memorable.

We sincerely thank our parents for their continued trust, encouragement, and support. Your partnership plays a vital role in your child's growth and success. Together, we will continue to nurture confident, compassionate, and responsible learners who are prepared to face the future with knowledge, values, and determination.

"Learning becomes meaningful when curiosity is encouraged, values are nurtured, and every child is inspired to shine."

**- Ms. Suchithra H K,
Teacher - Grade IV 'A'**

PARENT'S CORNER

"We are happy to see our child enjoy coming to school every day. The activities conducted during the month of June were engaging, meaningful, and helped children learn in a fun way. We appreciate the efforts of the teachers in making learning interactive through celebrations, competitions, and hands-on activities.

Our child especially enjoyed World Environment Day, Father's Day activities, Yoga Day, and the classroom learning experiences. We have also noticed improvements in confidence, communication, and participation. The Word of the Day initiative and other co-curricular activities have encouraged our child to learn something new every day.

We sincerely thank the Principal, teachers, and the entire school team for creating a safe, caring, and motivating environment. We look forward to many more wonderful learning experiences in the coming months."

**- Mr. Nitin V,
Parent of Agasthya N - Grade I 'A'**

Upcoming Events

- National Doctor's Day
- Birthday of CEO Ryan Sir
- National Parents Day
