### 79 Years Of Pride and Progress

***"Dream, dream, dream. Dreams transform into thoughts and thoughts result in action."***

***- Dr. A. P. J. Abdul Kalam***

This August, as India marks its **79th Independence Day**, we reflect not only on the sacrifices of our freedom fighters but also on the remarkable journey our nation has taken since 1947. From being a newly independent country, India has grown into a global force in science, technology, education, space research, and entrepreneurship. Our progress in digital innovation, healthcare, renewable energy, and infrastructure stands as a testament to the nation's resilience and vision.

For the student community, this progress carries a powerful message: **the future belongs to those who dream, innovate, and work with dedication.** With India advancing rapidly in fields like artificial intelligence, space exploration, sustainable development, and global leadership, today's learners will be tomorrow's change makers.

At Ryan International Academy, Sarjapur, we believe that our students are at the heart of this journey. By nurturing critical thinking, creativity, and compassion, we prepare them to step into a world full of opportunities and challenges. Just as India has risen through determination and unity, our students too will shape the next chapter of the nation's story—one of innovation, inclusivity, and global impact.

As we celebrate 79 years of independence, let us look forward with hope and confidence, ready to contribute to a brighter future for India and the world.

## EVENTS

### Independence Day Celebration - Mont I to III

At Ryan International Academy, Sarjapur, encourages students to express the Montessori students celebrated Independence Day with patriotic fervor! The festivities began with a vibrant kite coloring activity, where students creatively decorated kites with tricolor themes, symbolizing national pride. Their artistic expressions showcased their understanding of India's freedom struggle and its significance.

The highlight of the celebration was the Fancy Dress Competition, where students dressed up as national heroes, freedom fighters, or in tricolor attire. Their confidence and enthusiasm shone through as they showcased their costumes, proudly proclaiming their love for the nation.

The activities not only instilled a sense of patriotism but also encouraged creativity, self-expression, and national pride among the young learners. As they participated in these fun-filled activities, they developed an appreciation for India's rich history and the sacrifices made by freedom fighters.

The celebration concluded with a sense of pride and joy, as the students realized the importance of independence and the role they play in shaping the nation's future. The event was a resounding success, fostering a sense of unity, pride, and belonging among the students.

### Rakha Bandhan Celebration Mont I to III

A Ryan international academy, Sarjapur the Rakhi Making Activity fosters cultural

## EVENTS

awareness, creativity, and sibling bond values, promoting holistic development and festive spirit among Montessori students. The Montessori students joyfully celebrated Raksha Bandhan, learning about the significance of this special bond between brothers and sisters. A highlight of the event was the Rakhi Making Activity, where students crafted their own colorful rakhis using threads, beads, and other materials. This creative activity allowed them to express their love and appreciation for their siblings while developing their fine motor skills.

Through storytelling, the students gained insight into the history and cultural significance of Raksha Bandhan, understanding the values of love, protection, and sibling bond. The Rakhi Making Activity not only fostered creativity but also instilled a sense of responsibility and care among the young learners.

The celebration concluded with the students proudly showcasing their handmade rakhis, eagerly looking forward to tying them around their brothers' wrists. This festive event promoted bonding, creativity, and cultural awareness, making it a memorable experience for the Montessori students.

## Field Trip in a Pet Shop

Our kindergarteners had an exciting visit to the pet shop. The little ones explored the world of pets and learned how to care for them. They saw colorful fish swimming in tanks, chirping birds, and even small animals like rabbits.

Children were curious and asked questions about what pets eat, where they live, and

## EVENTS

how to keep them happy and healthy. The visit helped them understand kindness towards animals, responsibility in taking care of pets, and the joy animals bring to our lives.

It was a fun-filled and educational experience that left the children smiling and full of wonder.

### Vibrant Blue Day

The aim of celebrating Blue Colour Day in Ryan International Academy, Sarjapur is to introduce children to the colour blue, help them recognize and identify it in their surroundings, and understand its significance in nature and daily life. The celebration encourages observation, creativity, and expression through fun-filled activities, making learning joyful and memorable for young learners.

#### Activity Description :

Students created clouds using cotton and coloured the raindrops with blue crayons. This activity not only enhanced their prehensile coordination but also helped them learn about clouds and their importance in nature.

### ISRO Day Celebration Mont I to III

The Montessori students of Ryan School enthusiastically celebrated ISRO Day, exploring the wonders of space and India's achievements in the field. The highlight of the event was a "Show and Tell" competition, where students showcased their creativity and knowledge about ISRO's missions and accomplishments.

## EVENTS

With confidence and excitement, the students presented their projects, models, and drawings of rockets, satellites, and planets. They shared their understanding of ISRO's remarkable feats, from launching satellites to exploring the Moon and Mars. The "Show and Tell" competition encouraged the students to think creatively, develop their communication skills, and build confidence in public speaking.

The celebration aimed to inspire the young learners to pursue careers in science, technology, engineering, and mathematics (STEM). By introducing them to ISRO's achievements, the event sparked their curiosity and interest in space exploration. The students' enthusiasm and creativity were on full display, making the event a resounding success.

The ISRO Day celebration in Ryan School Montessori fostered a love for learning, encouraged creativity, and instilled a sense of national pride among the students. As they continue to explore the wonders of space, they will undoubtedly grow into curious, innovative, and passionate individuals, contributing to India's scientific progress. The event concluded with a sense of excitement and anticipation, inspiring the students to reach for the stars!

## Physical Education

### Jumping in the Ring Activity

The *Jumping in the Ring* activity for pre-primary children is a fun physical exercise designed to build gross motor skills, balance, and coordination. Children take turns jumping into colourful rings placed on

## EVENTS

the floor, following simple instructions such as single jumps, skipping rings, or jumping like animals. The activity also promotes listening, turn-taking, social interaction, and color recognition.

This fun activity helped them build balance, coordination, and confidence along with keeping them active and energetic. It brings smiles and excitement as they enjoy hopping and moving in a playful way.

### Parent Teacher Meeting Mont I to III

On 23rd August, Ryan International Academy in Sarjapur hosted a successful Parent Teacher Meeting (PTM) for students from Montessori I to III. The event was a valuable opportunity for parents to review their children's performance in the PT 1 examinations and engage in meaningful discussions about their holistic development with both class and subject teachers. Beyond academic conversations, the PTM featured a number of engaging activities that fostered a sense of community and celebrated student talent. Parents enthusiastically participated in a rangoli-making competition, showcasing their creativity. Adding to the day's highlights, students presented a captivating skit on the historic Salt March, which beautifully brought alive the spirit of the freedom struggle and Independence Day.

### National Sports Day Celebration - Mont I to III

The Montessori students of Ryan School joyfully celebrated National Sports Day, showcasing their enthusiasm for various

## EVENTS

sports and games. The highlight of the event was a "Show and Tell" session, where students excitedly shared their favorite sports, demonstrating their knowledge and passion.

With confidence and excitement, the students presented their favorite sports, such as cricket, football, tennis, and basketball. They shared stories of their favourite athletes, teams, and sporting moments, demonstrating a deep understanding of the games.

The "Show and Tell" session encouraged the students to develop their communication skills, build confidence in public speaking, and foster a sense of camaraderie among their peers. The event promoted physical activity, teamwork, and healthy competition, aligning with the school's emphasis on holistic development.

The students' presentations were filled with energy and enthusiasm, showcasing their creativity and passion for sports. The celebration concluded with a sense of excitement and anticipation, inspiring the students to participate in sports and games, developing their physical and mental well-being.

The Sports Day celebration in Ryan School Montessori fostered a love for physical activity, teamwork, and sportsmanship among the students. As they continue to engage in various sports and games, they will develop essential life skills, such as discipline, perseverance, and teamwork, preparing them for a healthy and active lifestyle.

## EVENTS

### Ganesh Chaturthi Celebration

The Montessori students of Ryan School celebrated Ganesh chaturthi on 25th August 2025 enthusiastically, showcasing their talents and devotion to Lord Ganesha. The highlight of the event was a captivating dance performance on stage, where students danced to a lively Ganesha song, their colourful costumes and joyful expressions radiating the festive spirit.

With intricate steps and energetic movements, the students brought the stage to life, celebrating the birth of Lord Ganesha. Their performance was met with thunderous applause, boosting their confidence and stage presence.

The celebration not only showcased the students' creativity and talent but also instilled in them an appreciation for Indian culture and traditions. Through this event, the students learned about the significance of Ganesh Chaturthi and the values of wisdom, prosperity, and good fortune associated with Lord Ganesha.

The Ganesh Chaturthi celebration was a resounding success, leaving a lasting impression on the young learners. With their smiles and laughter, the students embodied the joy and festivity of the occasion, making it a memorable experience for all. Ganapati Bappa Morya!

### Founders Day Celebration

The objective of celebrating Founders' Day is to pay tribute to the vision, dedication, and contributions of our founder, to uphold

## EVENTS

the core values and traditions of the institution, and to inspire students and staff to strive for excellence while fostering a sense of pride and belonging within the school community.

### Activity Description:

Students conveyed their wishes to sir through a video and prepared greeting cards, an activity that helped enhance their prehensile coordination.

## ACADEMIC ACTIVITIES

### Colour Matching Activity with Wooden TLM - Mont I

To develop the student's ability to recognize and match different colors. To enhance fine motor skills and hand-eye coordination through hands-on activity. To introduce the concept of colour classification and sorting.

The Montessori students engaged in a color-matching activity using wooden Teaching Learning Materials (TLM). The activity involved matching wooden blocks or cards of different colours, helping students develop their color recognition skills.

### Learning Outcome:

Students demonstrated an improved ability to recognize and match colours. Enhanced fine motor skills and hand-eye coordination through manipulation of wooden blocks. Developed problem-solving skills through trial and error. Demonstrated an understanding of colour classification and sorting.

## STAR OF THE WEEK

The **Star of the Week** is a wonderful initiative at Ryan International Academy, celebrating the unique qualities and achievements of our students from Montessori I to Grade IV. Each week, one child from every class is chosen as the "Star," a special recognition that fosters confidence and a sense of community.

The chosen student's parents are invited to the classroom to have an engaging interaction with the students, where they share heartwarming stories and talk about their child's personality, hobbies, and strengths. This interaction not only makes the star student feel special but also helps build a strong connection between the parents, teachers, and the rest of the class.

To make the experience even more memorable, each Star of the Week receives a personalized poster to fill out. The child proudly pastes their picture and shares their favorite things, from their cherished color and food to their preferred sport and dream travel destination. This colorful and creative poster is then displayed outside the classroom for the entire week, allowing the whole school to celebrate and get to know our shining star a little better. It's a truly heartwarming concept that highlights the individuality of each child.

## PARENT'S CORNER

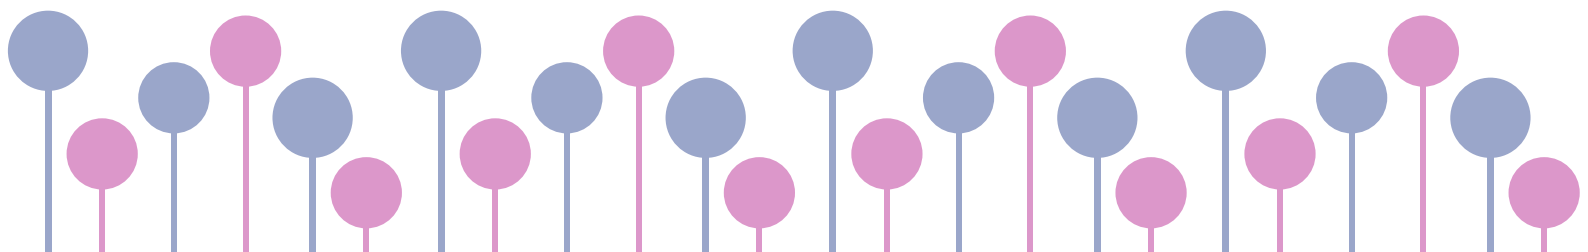

I would like to sincerely thank you and Ryan International School for taking such good care of Ashlyn. We have noticed a lot of improvements in her over the past months, and we are truly grateful for all the efforts you have put in.

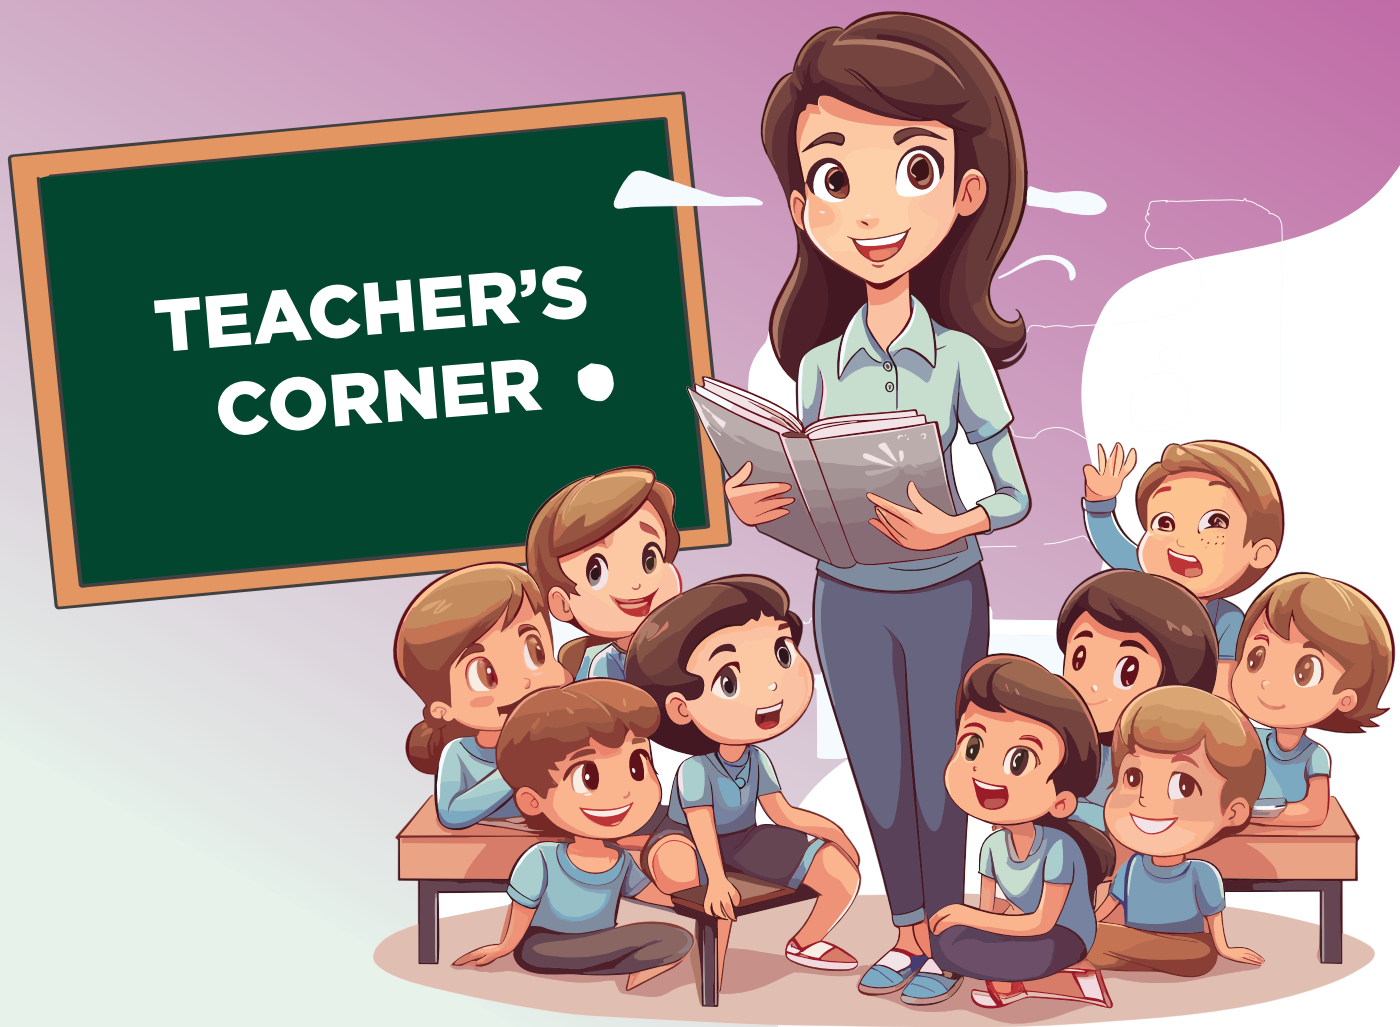

Ashlyn was very introverted and less social earlier, with limited speech. But now, we are so happy to see her tremendous progress – she sings rhymes with confidence, mingles well with others, and her vocabulary has improved significantly. She can say A to Z, 1 to 9, and several rhymes on her own.

We also really appreciate the way you take feedback from parents seriously and act on it. It gives us great confidence as parents to know that Ashlyn is in such a caring and encouraging environment.

Thank you & all the School staff once again for your constant support and dedication.

**- Ms. Tejus P S,  
Parent of Ashlyn - Mont I**

## Exciting Developments in Our Montessori Classes!

This month has been an exciting time in our Montessori classrooms as our young learners continue to explore, discover, and grow in a nurturing and engaging environment.

### **Skill Development:**

Our students have made remarkable progress in developing essential skills. This advancement is a testament to the effectiveness of our individualized learning approach, which allows each child to progress at their own pace.

### **Motor Skills and Coordination:**

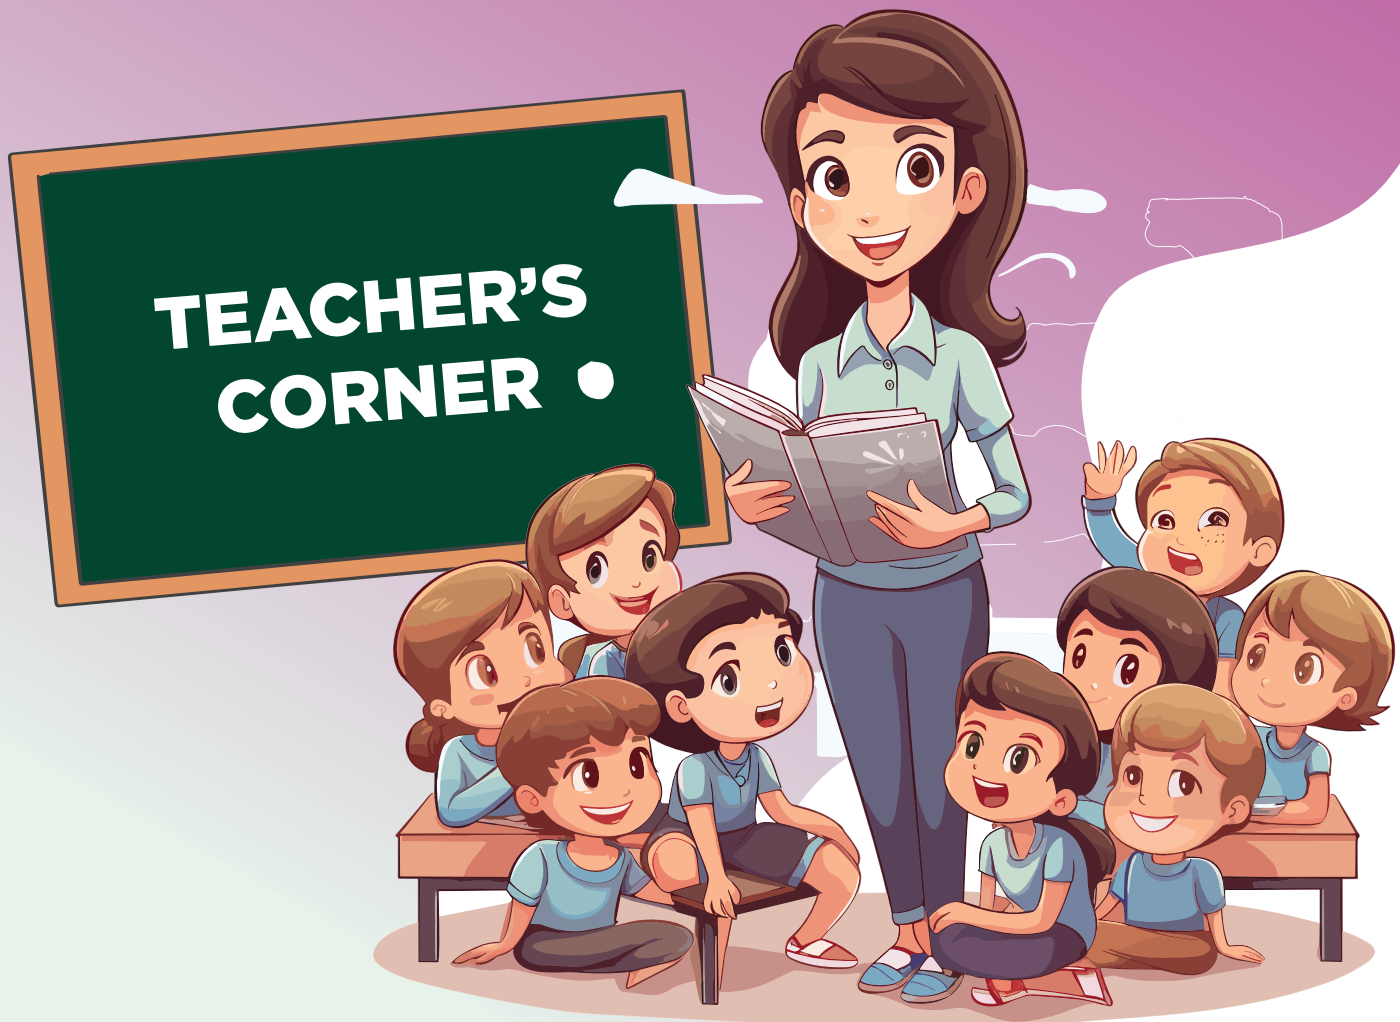

We've also observed tremendous growth in our students' motor skills and coordination. Activities designed to enhance these abilities are integrated into our daily routine, helping children to improve their balancing skills through fun and interactive exercises.

### **Classroom Environment:**

Our classrooms are abuzz with curiosity and creativity. The Montessori method encourages independence, and our children are thriving as they learn to make choices, solve problems, and collaborate with their peers. This month, our focus on practical life skills has empowered students to manage tasks with confidence, fostering a sense of responsibility and self-esteem.

### **Teacher's Insight:**

Our dedicated teachers play a pivotal role in guiding students through their learning

journeys. Their observation and support help tailor educational experiences to meet each child's unique needs, ensuring a rich and fulfilling educational experience.

As we continue to nurture a love for learning, we are excited to see what the coming months will bring. Thank you to all our parents for your continued support and involvement in your child's education. Together, we are building a strong foundation for lifelong learning.

**- Ms. Elora Das,  
Montessori Teacher**
